Blaine Sanderman, and Bruce D Dick*

- The development of a mindfulness-based stress reduction group for adolescents with
chronic pain** 301
Danielle Ruskin, Sara Ahola Kohut, and Jennifer Stinson

Case Reports

- Identifying and monitoring benign pelvic bone lesions using radiographic imaging** 315
*Paul M Cheon, Linda Probyn, Nemica Thavarajah, Erin Wong, Catherine Lang,
Stephanie Cheon, and Edward Chow*

- Presentation of foot drop: Degenerative stenosis or spinal metastases?** 319
*Julia Hamer, Erin Wong, Rachel McDonald, Nicholas Lao, Natalie Pulenzas,
Leigha Rowbottom, and Edward Chow*

Pancreatic cancer with rare leptomenigeal disease: A case report and literature review	323
<i>Eva Bain, Paul Cheon, Erin Wong, Rachel McDonald, Nicholas Lao, Natalie Pulenzas, Leigha Rowbottom, Nemica Thavarajah, and Edward Chow</i>	
Differential diagnosis of metastases versus inflammation in cancer patient with spinal abnormalities	329
<i>Andrew Leung, Paul M Cheon, Erin Wong, Rachel McDonald, Nicholas Lao, Natalie Pulenzas, Leigha Rowbottom, and Edward Chow</i>	
Post radiation remineralization for high risk impending fractures	333
<i>Anthony Furfari, Paul Cheon, Linda Probyn, Rachel McDonald, Nicholas Lao, Erin Wong, Nemica Thavarajah, Natalie Pulenzas, Leigha Rowbottom, and Edward Chow</i>	
Multimodal imaging findings in ischiofemoral impingement syndrome mimicking breast carcinoma metastases	337
<i>Thien J Huynh, Catherine Lang, Alicia Cheong, Joel D Rubenstein, Monique Christakis, Andrea Eisen, Edward Chow, and Linda Probyn</i>	

Journal of Pain Management

The *Journal of Pain Management* is a peer-reviewed Journal aimed at the scientific community interested in pain management. This multidisciplinary Journal provides a medium for research and reviews that will influence clinical practice in contemporary pain medicine with an emphasis on applied research. The Journal welcomes submissions from all disciplines working in any area of pain management including acute, chronic, or cancer related pain. The Editorial Board is interdisciplinary, representing specialists around the world working in the field of pain. The Journal welcomes and encourages submissions from all disciplines including medical specialties, basic science, psychology, nursing, physical therapy, social work, physical therapy, occupational therapy, and other related fields. The *Journal of Pain Management* is published under the auspices of the National Institute of Child Health and Human Development in Israel.
