

Personal information

Name: Ahmed Magdy Fatouh Abdelbar

Date and Place of Birth: October 30, 1988, Cairo, Egypt

Citizenship: Egyptian

Email: ahmed.magdy@pharma.cu.edu.eg

Education and scientific degrees

- 2010, Bachelor degree in Pharmaceutical Sciences, Faculty of Pharmacy, Cairo University, Egypt
- Master's degree in pharmaceutics and industrial pharmacy for a thesis entitled "**A pharmaceutical study on certain antidepressant drug**" in 2016.
- I am working now for PhD degree thesis

Publications

- "[*Agomelatine-based in situ gels for brain targeting via the nasal route: statistical optimization, in vitro, and in vivo evaluation*](#)", *Drug delivery*, vol. 2017:24, issue 1, pp. 1077-1085, 2017.
- "[*Intranasal agomelatine solid lipid nanoparticles to enhance brain delivery: formulation, optimization and in vivo pharmacokinetics*](#)", *Drug design, development and therapy* , vol. 2017:11, pp. 1815-1825, 2017.

Conferences

"Solid lipid nanoparticles preparation, development and optimization ", 5th International Scientific Conference of Faculty of Pharmacy, Cairo University, Cairo university, April 23, 24, 2014.
