❖ **Career objective:**

- Seeking for the basics of new economical applicable structural design systems especially at Structure Dynamics for high-rise building and bridges so that using hard working, self-learning and utilization of the new technologies.

❖ **Education:**

- **High School Degree** 2010, score 97.5%
- **Cairo University, Faculty of engineering, Civil Department:**
 - **Bachelor Degree** of Civil Engineering Cairo University (July 2016)
 - **Grade:** 90.6% (**Excellent** with the degree of honour)
 - **Ranked no. 7** at Construction Department Group.
 - **Graduation Project** Structural Analysis:
 - **Excellent** (Grade: 100%, Ranked no. **one**)
 - **Supervision:** Prof. Dr. : Mourad M.Bakhom
Prof. Dr.: Mohamed Naiem
Prof. Dr.: Youssef F Rashed
- Pre-master Grade with GPA 3.8 (Structure Engineering).
- In the Master Researching stage in geotechnical soil dynamics field.

❖ **Skills:**

- **Personal Skills:**
 - Self and fast learning.
 - Have the ability to simplify tasks.
 - Leadership.
 - Teaching skills.
 - Presentation skills.
 - Communication skills.
- **Computer Skills:**
 - Very Good at MS. Office, and Excellent in Excel.
 - Certificated Professional from Autodesk at Revit Structure (91%).
 - Good Knowing of Revit Architecture.
 - Very Good: AutoCAD.
 - Professional in using presentation Prezi program.
 - Municipal Hydraulics Programs: (Water (Gems/Cad) _ Epaswmm).
 - Full CSI Programs (Sap _ Safe _ Etabs _ spColumn).
 - Post tension Programs (RAM Concept – PLPAK).
 - Midas Civil program at analysis of bridges.

❖ **Experience:**

- **Post-Graduate:**
 - Geotechnical T.A at Faculty of Engineering Cairo University (My Currant Main Job 2017)
 - Working as Structure Engineering in Design of Bridges at **ACE (Moharram Bakhom)** (My Current Part Time Job 2016)

- **Under-Graduate:**

- Elsewedy Electric T&D Summer Training Program (2015)
- Structure Analysis and Design diploma-using CSI. Products (2015)
- Arab Bureau for designs and consultancy engineering (2015)
- Talaat Moustafa Contractors (2014)
- Working as Site Engineer in Aswan (2014)
- The Arab contractors (2013)
- Summer Training in General Authority for the High Dam (2013-2012)

- ❖ **Language:**

- **Arabic** is the mother tongue
- Very Good In **English**

- ❖ **Personal information:**

- **Date of Birth** : 9/8/1993
- **Place of Birth** : Ain-Shams.
- **Marital Status** : Single.
- **Specialization** : Structure Engineering.
- **Nationality** : Egyptian.
- **Military** : Accomplished.
