

# CURRICULUM VITAE

**Name:** Dalia Saad Aboul-Ftough El-Feky.

**Date of birth:** 4/11/1973.

**Telephone:**

Mobile: 00201142223562

**e-mail:** [daliasaad55@cu.edu.eg](mailto:daliasaad55@cu.edu.eg), [daliasaad55@yahoo.com](mailto:daliasaad55@yahoo.com)

**Current position:**

- Lecturer of Medical Microbiology and Immunology, Faculty of Medicine, Cairo University (April 2011-now)

**Previous experiences:**

- A member of the Infection control team in New Kasr El-Aini teaching hospital (October 2011- January 2014)
- Assistant lecturer of Medical Microbiology and Immunology, Faculty of Medicine, Cairo University (2006- April 2011)
- Demonstrator of Medical Microbiology and Immunology, Faculty of Medicine, Cairo University (2002- 2006)

Chosen as *the best demonstrator* in the Department of Medical Microbiology and Immunology, Faculty of Medicine, Cairo University (2006)

- Resident of Pediatrics, Cairo University Teaching Hospital for Children (Abo-El-Reesh) (1999-2002)
- House-officer in Cairo University Hospitals (1998-1999).

**Qualifications:**

1. MD of Medical Microbiology and Immunology, Faculty of Medicine, Cairo University (February, 2011).  
Thesis title: *Chlamydia trachomatis* and genital mycoplasmas as causes of cervicitis.
2. MSc. Of Medical Microbiology and Immunology, Faculty of Medicine, Cairo university (2006)  
Essay title: An approach to neonatal sepsis
3. Msc. of Pediatrics, Faculty of Medicine, Cairo university (2002).  
Thesis title: Respiratory syncytial virus a cause of bronchiolitis in Egyptian infants.

4. M.B., B.CH., Faculty of Medicine, Cairo university (1997), Excellent with honor.

#### **Teaching activities:**

- Teaching Medical Microbiology and Immunology course for undergraduate and post graduate medical students.
- Teaching Microbiology and Immunology course to undergraduate and post- graduate dental students.
- Teaching Medical Microbiology and Infection Control course to undergraduate students in the Faculty of Nurses.
- Teaching infection control course for the graduate medical students.

#### **Publications:**

1. **ElFeky D.**, Baddour MM., El-Seidi E., Ouda N., Eissa S. , Youssef D. : Comparison of common detection methods for *Chlamydia trachomatis* and genital mycoplasmas in cervical infection. 10<sup>th</sup> International Conference on Molecular Epidemiology and Evolutionary Genetics of Infectious Diseases, 2010, Amsterdam, the Netherlands.
2. Eissa S, Ouda N, El-Seidi E, **ElFeky D**, Youssef D, Baddour MM.: Comparison of common detection methods for Chlamydia trachomatis and genital mycoplasmas in cervical infection. Egypt J. Med. Lab. Sci., March 2011; 20(1): 69-80
3. ElSawaf AH , Riad RI, **Abo-Elfotouh DS**, Ali NM: Incidence of Asymptomatic Bacteruria in Pre-Term Pregnancy; A Case Controlled Clinical Study. *Med. J. Cairo Univ.*, December 2012; 80 (1): 913-918.
4. Thabet EA, Balbaa AS, Safouh MH, **ElFeky DS**: Effect of Gentamycin Local Cream Application on the Incidence of Peritoneal Dialysis-Related Bacterial Infections in Children. The 19<sup>th</sup> conference of the Egyptian society For Medical Microbiology (ESMM); May 2013, Cairo, Egypt.
5. Reda A. and **ElFeky DS**: Methicillin Resistance and Biofilm Formation as Markers of Pathogenicity in Coagulase-negative staphylococci. *Egypt J. Med. Lab. Sci.*, Sep. 2013; 22(2):167-175.

6. El Hanafy SMS; El Bardissy AA; El Dokky N A, **El Feky DS**: Effect Of Adding Probiotics To Dairy Products On Mutans *Streptococcus Salivary* Count in A Group Of Special Health Care Needs Children. *E.D.J.*; 59(4); October 2013.
7. Abdelmoniem S, Moheb DM and **Saad D**: Comparing The Antimicrobial Activity Of Three Essential Oils Against Microorganisms Most Commonly Encountered In Necrotic Root Canal Systems. The 16<sup>th</sup> International Dental Congress; The Egyptian Dental Association; November 2013, Cairo, Egypt.
8. Abdelmoniem S, Moheb DM and **Saad D**: Comparing The Antimicrobial Activity Of Three Essential Oils Against Microorganisms Most Commonly Encountered In Necrotic Root Canal Systems. *E.D.J.*; 60 (1): 1155-1160, January 2014

#### **Supervision of Msc and PhD. theses:**

1. Prevalence of Asymptomatic bacteruria in patients with preterm labor (MSc thesis in Ob& Gyn; 2011- 2011)
2. An evaluation of the antimicrobial effect of tetracycline-integrated Gutta-Percha combined with MTAD irrigating solution against *Enterococcus faecalis* (an *in-vitro* study) (MSc thesis in Dental medicine "Endodontics"; 2011- 2013).
3. Effect of adding probiotics to dairy products on salivary count of mutans streptococci in a group of special health care needs children (MSc thesis in Dental science "Pediatric & Community Dentistry"; 2011- 2013).
4. Sputum Bacteriology in Patients with Acute Exacerbation of Chronic Obstructive Pulmonary Disease (MSc thesis in Chest Diseases and tuberculosis; 2011-2015).
5. Evaluation of Different Diagnostic Techniques for Detection of Group B Streptococci Colonization in Pregnant Women (PhD thesis in Medical Microbiology & Immunology; 2011-2014).
6. Vulvovaginal Candidiasis: Phenotypic and Genotypic *Candida* species Identification and Antifungal Susceptibility

- (PhD thesis in Medical Microbiology & Immunology; 2011-2013).
7. Peritoneal dialysis-related infections in pediatrics (MSc thesis in Medical Microbiology & Immunology; 2012-2013).
  8. Comparative Ex-vivo Bactericidal activity of Different Concentrations of Doxycycline as an Endodontic Irrigant (MSc thesis in Dental medicine "Endodontics"; 2012- 2014).
  9. An evaluation of saliva as an alternative specimen to serum for the detection of Hepatitis C virus antibodies (MSc thesis in Medical Microbiology & Immunology; 2013- 2015).
  10. Role of fungal infections in neutropenic patients with haematological malignancies (MSc thesis in Medical Microbiology & Immunology; 2013- now).

### **Conferences & Workshops attended:**

1. The 12<sup>th</sup> international Conference of the Egyptian Society for Medical Microbiology(ESMM) (3-4 March 2004)
2. Workshop on "Quantiferon in TB Diagnostics" (19-20 June 2007) held at Mycobacteriology, Mycology and Allergy research unit, Department of Medical Microbiology and Immunology, Faculty of Medicine, Cairo University
3. Seminar on "qPCR/Gene Transfer" (11<sup>th</sup> November 2007) held at King Faisal Specialist Hospital & Research Center, Riyadh, KSA.
4. The 2<sup>nd</sup> Annual Meeting of the Saudi Society of Medical Microbiology & Infectious Diseases (19-20 January 2008).
5. International Symposium on Laboratory Medicine "Pathology Update 2008" (9-12 march 2008) held at Riyadh Military Hospital, Department of Medical Studies and Department of Pathology.
6. Seminar on "Tuberculosis in the 21<sup>st</sup> century: Effective Diagnosis for Latent and Active T.B." (4<sup>th</sup> May, 2009) held in Marriott Hotel, Riyadh.
7. Workshop on "Pulsed Field Gel Electrophoresis" (2-9 June, 2009) held in King Saud University, Faculty of Pharmacy (Girls section).
8. The Annual Congress of The Society for Practitioners of Infection Control (SPIC EGYPT) in collaboration with The American Society for Microbiology and European Society of Clinical Microbiology and Infectious Diseases (ESCMID) (29<sup>th</sup> September through 3<sup>rd</sup> October 2009) held at Faculty of Medicine, Cairo University
9. Workshop on "Antimicrobial resistance among Bacterial pathogens : mechanisms, Detection and Molecular epidemiology" ( 1<sup>st</sup>-3<sup>rd</sup>

- October 2009) organized by The Society for Practitioners of Infection Control (SPIC EGYPT) in collaboration with The American Society for Microbiology and European Society of Clinical Microbiology and Infectious Diseases (ESCMID) & held at Faculty of Medicine, Cairo University
10. The annual Congress of Allergy and Immunology (19<sup>th</sup> December 2009) organized by The Egyptian Society of Allergy and Immunology.
  11. The 17<sup>th</sup> International Conference of the Egyptian Society for Medical Microbiology (ESMM) (25-26 April 2010).
  12. A training course in "Time & Conference Management" (27-29 December 2010) organized by Faculty and Leadership Development center, Cairo University.
  13. A training course in "Communication skills" (8-10 January 2011) organized by Faculty and Leadership Development center, Cairo University.
  14. A training course in "International Publishing of Research" (17-19 January 2011) organized by Faculty and Leadership Development center, Cairo University.
  15. A training course in "Credit Hour system" (7-9 march 2011) organized by Faculty and Leadership Development center, Cairo University.
  16. A training course in "Use of Technology in Teaching" (28<sup>th</sup> February through 2<sup>nd</sup> March 2011) organized by Faculty and Leadership Development center, Cairo University.
  17. A training course in "Student Evaluation" (21-23 march 2011) organized by Faculty and Leadership Development center, Cairo University.
  18. Scientific day on "Difficult Choices- Decision making for Diagnosis and Treatment of ICU Infections" (17<sup>th</sup> October 2011) conducted by The Infection Control Unit Global Disease Detection and Response program (GDDRP), US Naval Medical Research Unit No. 3 (NAMRU-3), Cairo, Egypt.
  19. Workshop on Advanced Infection Control Training "Infection Prevention in Dialysis Units" (25<sup>th</sup> October 2011) conducted by The Infection Control Unit Global Disease Detection and Response program (GDDRP), US Naval Medical Research Unit No. 3 (NAMRU-3) Cairo, Egypt.
  20. Basic Infection Control Training modules (11<sup>th</sup> December 2011 through 5<sup>th</sup> January 2012) conducted at Faculty of Medicine, Cairo University in collaboration with The Infection Control Unit Global Disease Detection and Response program (GDDRP), US Naval Medical Research Unit No. 3 (NAMRU-3) Cairo, Egypt.

21. The 21<sup>st</sup> annual conference of the Egyptian society for infection control (EPIC) and the second conference for the Egyptian patient Safety Association (EPSA); Reaching out the community: fulfilling the mission (6-8November, 2012); Cairo, Egypt.
22. Laboratory Identification of Fungal Pathogens: Theoretical & Hands on workshop (April 16th, 2013) held at Microbiology labs, Kasr Al-Ainy Hospitals, Faculty of Medicine, Cairo University, Cairo, Egypt.
23. The 19<sup>th</sup> International Conference of the Egyptian Society for Medical Microbiology (ESMM) (May 2013), Cairo, Egypt.
24. Molecular Microbiology Typing Methodologies Symposium (February 11<sup>th</sup>, 2014) held at King Fahad medical City (KFMC), Riyadh, Saudi Arabia.
25. The 3<sup>rd</sup> Infection Control Course (May 28-29<sup>th</sup>, 2014) held at King Fahad medical City (KFMC), Riyadh, Saudi Arabia.
26. Seminar on “Best practices and recommendations in microbial monitoring in pharmaceutical industry” (December 9<sup>th</sup>, 2014) organized by the Gulf Scientific Corporation, held at Radisson Blu Hotel, Riyadh KSA
27. 5<sup>th</sup> Patient safety Forum (April 14-15, 2015) held at King Saud bin AbdulAziz University for Health Sciences Convention Center, Riyadh, Saudi Arabia.
28. Tuberculosis, Protection, Diagnosis, Treatment Workshop (April 16<sup>th</sup>, 2015) held at King Saud Medical City Regional Laboratory, TB reference Laboratory, Riyadh, Saudi Arabia
