

CURRICULUM VITAE

Mohamed Fath Allah Mohamed Alsawy, M.D.

I. PERSONAL INFORMATION

Date of Birth: 1-9-1985

Place of Birth: Menoufia

Citizenship: Egyptian

Military Status: Exempted

Marital Status: Married

Home address: Cairo university staff members' city in Giza, Gate no 4, Building no 4, Flat no 73. ZIP (12614)

Phone No: Home: (+202) 37278597.

Mobile: (+2) 01143262927.

E-mail address: Mohamed.elsawy@kasralainy.edu.eg

Egyptian Medical Syndicate registration number: 213868

II. EDUCATION

- M.D. of Neurosurgery - Faculty of Medicine -Cairo University (2017).
- M.Sc. of Neurosurgery -Faculty of Medicine -Cairo University (2014).
Grade: Very Good.
- M.B.B.Ch. Faculty of Medicine - Cairo University (2008). Grade: Excellent with honors.
- General Secondary Certificate in 2002. Average total mark: 98.5%

III. LANGUAGES:

Arabic: Mother tongue

English: Spoken and written fluently

German: level A2 and upgrading

French: basics

IV. CURRENT EMPLOYMENT

Lecturer of Neurosurgery – Faculty of Medicine – Cairo University.

V. POST GRADUATE TRAINING AND JOBS

- Intern at Cairo University Hospitals for one year.
- 6-month training in vascular surgery Department- Cairo University Hospitals.
- 3-month training in plastic surgery Department- Cairo University Hospitals.
- One-month training in surgical ICU Department- Cairo University Hospitals.
- 6- Year training in Neurosurgery Departments- Cairo University Hospitals. (2 years as resident, 1 year as demonstrator and 3 years as assistant lecturer).
- Registrar of Neurosurgery for 2 years in Children Cancer Hospital of Egypt (CCHE-57357).

VI. COURSES AND WORKSHOPS

- 4th Egyptian Advanced Microscopic and Endoscopic Skull Base Approaches; Hands-On. Cadaveric Workshop. (18-21 March 2017) Held at Military Medical Academy, Cairo-Egypt.
- The First Combined Neuro Micro and Endovascular Course. (19-22 December 2016) Held at the Learning Resource Center at the Faculty of Medicine, Cairo University, Cairo-Egypt
- 1st Transpetrous Approaches to the Skull Base. (14-16 April 2016) Held at the Learning Resource Center at the Faculty of Medicine, Cairo University, Cairo- Egypt.
- Endoscopic and Endoscope-Assisted Neurosurgery under FULL HD Visualization (7-8 April 2016) Held in Greifswald- Germany.
- Fundamentals of Clinical Research in collaboration with Quantiles (14 January to 03 March 2016) Held at Medical Education Development Center (MEDC) at the Faculty of Medicine, Cairo University, Cairo –Egypt.
- Clinical Research and ICH-GCP in collaboration with Quantiles (31 January to 04 February 2016) Held at Medical Education Development Center (MEDC) at the Faculty of Medicine, Cairo University Cairo-Egypt.
- Systemic Review and Meta-analysis (18 January 2016) Held at Medical Education Development Center (MEDC) at the Faculty of Medicine, Cairo University Cairo –Egypt.
- 3rd Egyptian Educational Course in Pediatric Neurosurgery (12-13 January 2016) Held at Al Galaa Military Medical Compound –Cairo –Egypt.
- Basic Spine Workshop (22-24 October 2015) in the Frame of the project “Cairo Greifswald Neurosurgery” held at Cairo University hospitals. Held by Prof. Jan-Uwe Muller from the Medical University of Greifswald, Germany.
- Case scenarios in Cervical Spine Surgery (16 -17 April 2015) at Renaissance Cairo Mirage City Hotel, Cairo –Egypt.

- 2nd Egyptian Advanced Microscopic and Endoscopic Skull Base Approaches; Hands-On. Cadaveric Workshop. (21-23 March 2015) Held at Military Medical Academy, Cairo-Egypt.
- The Midas Rex Workshop (13 December 2014) Held at the Learning Resource Center at the Faculty of Medicine, Cairo University -Cairo-Egypt.
- Medical Statistics Course (January 2013) Held at Medical Education Development Center (MEDC) at the Faculty of Medicine, Cairo University.
- Resuscitation Council (UK) Advanced Life Support Course (July 2010) Held at the Learning Resource Center at the Faculty of Medicine, Cairo University -Cairo –Egypt.
- European Resuscitation Council Intermediate Life Support Provider Course (July 2009) Held at the Learning Resource Center, Faculty of Medicine, Cairo University-Cairo –Egypt.
- Courses held by House officers training committee (2009-2010) held at Cairo University Hospitals.
 1. Basics of infection control.
 2. Quality in health care.
 3. Ethics in medical Practice.
 4. Communication in health care.
 5. Early detection of developmental delay.

VII. CONFERENCES ATTENDED

- 40th Annual Meeting of Egyptian Society of Neurological Surgeons (ESNS) and 11th meeting of PANS. (21-24 March 2017) Held at Mena House Hotel, Cairo- Egypt.
- Fourth Annual International Conference of Neurosurgery Department, Faculty of Medicine, Cairo University (9- 10 February 2017) held at the Learning Resource Center at the Faculty of Medicine, Cairo University, Cairo – Egypt.
- Pituitary Day (12 January 2017) Held at the Learning Resource Center, Faculty of Medicine, Cairo University Cairo- Egypt.
- 10th Annual Saudi Association of Neurological Surgery Conference (1-3 March 2016) Held at Ritz Carlton Hotel, Riyadh- Kingdom of Saudi Arabia.
- Recent Advances in Pediatric Neurosurgical Oncology Conference (25-27 February) Held at Children Cancer Hospital (CCHE57357)-Cairo – Egypt.
- 3rd Annual Conference of Neurosurgery and Spine Center (14-15 January 2016) Held at Al Galaa Military Medical Compound, Cairo –Egypt.
- 15th Interim Meeting of the World Federation of Neurosurgical Societies (8- 12 September 2015) Held in Rome- Italy.
- Second Annual International Conference of Neurosurgery Department, Faculty of Medicine, Cairo University & The second Walter E. Dandy-Egypt Chapter Course (11-12 December 2014) held at the Learning Resource Center at the Faculty of Medicine, Cairo University, Cairo – Egypt.

- First Annual International Conference of Neurosurgery Department, Faculty of Medicine, Cairo University & the First Walter E. Dandy – Egypt Chapter Course (3-5 December 2013) held at the Learning Resource Center at the Faculty of Medicine, Cairo University- Cairo – Egypt.

VIII. RESEARCH PROJECTS

Researcher in (HYDROCEPHALUS) project within the frame of cooperation between Departments of Neurosurgery in Cairo University (Egypt) and Ernst-Moritz-Arndt-Universität Greifswald (Germany) funded by German Academic Exchange Service (DAAD).

XI. BIBLIOGRAPHY

1- Original publication:

- Hegazy A, Alfiki A, Adel MF, **Alsawy MF**, Al-Dash MF, Zein M, Amin SM, Al-Shami H, Biswas A; Role of surgery for small petrous apex meningiomas causing refractory trigeminal neuropathy in the minimally invasive era. Neurology India. 2016 Sep-Oct; 64(5):973-9. DOI: 10.4103/0028-3886.190230. (impact factor 1.41)

2-Oral Presentations in conferences:

- Role of Endoscopy in management of intracranial Germ Cell Tumors. Presented in 40th Annual Meeting of Egyptian Society of Neurological Surgeons (ESNS) and 11th meeting of PANS. (21-24 March 2017) Held at Mena House Hotel, Cairo- Egypt.

3-Poster Presentations in conferences:

- Management of sub-axial cervical fractures. Presented in 15th Interim Meeting of the World Federation of Neurosurgical Societies (8-12 September 2015) Held in Rome- Italy

4- Manuscripts Submitted for Publication:

- 'Mobilization of the outer cavernous membrane decreases bleeding and improves resection in sphenoclinoidal Meningiomas without cavernous sinus extension: Randomized controlled trial'. Submitted to Neurology India journal on 10 June 2017.

5- Thesis

- Thesis of Master degree: Management of Sub Axial Cervical Fractures.
- Thesis of Doctorate degree: Management of intra-cranial germ cell tumors in pediatric age group.
