Start building your model by choosing the type you wants.

The screenshot displays the Signavio Explorer web application. The browser window shows the URL `http://academic.signavio.com/p/explorer#/directory/a5e30223e5bc41538b3c19de2e41bd46`. The application header includes the BPMACADEMIC INITIATIVE logo, a search bar, and user information (Iman Helal | [logout](#)). The main navigation bar contains links for New, Edit, Import / Export, Reporting, and Share. On the left, a sidebar lists document categories: Shared documents (Procurement - Example proc, My documents, Trash, Dictionary), and a central menu lists various diagram types. The 'BPMN 1.2' option is currently selected in the menu. At the bottom right, there is a link to 'Open diagram preview'.
