Education

2002-2008	Bachelor of Medicine and Surgery "MBBCH" degree Faculty of Medicine, Cairo University, Egypt
-----------	---

2011-2014	Master of General surgery "MSc" degree Faculty of Medicine, Cairo University, Egypt
-----------	--

Clinical Experience

March 2014-	Assistant lecturer, Pediatric Surgery Department Kasr Al Ainy Hospital, Cairo University- Faculty Of Medicine, Cairo, Egypt;
-------------	---

Sep 2013- Dec 2013	Resident in Pediatric Plastic Surgery Unit Children Specialized hospitals, Cairo University, Faculty Of Medicine, Cairo, Egypt.
-----------------------	---

Jun 2013- Aug 2013	Resident in Emergency Plastic Surgery Unit Kasr Al Ainy Hospital, Cairo University- Faculty Of Medicine, Cairo, Egypt.
-----------------------	---

Apr 2013- May 2013	Resident in Surgical Burn Unit Kasr Al Ainy Hospital, Cairo University- Faculty Of Medicine, Cairo, Egypt.
-----------------------	---

Aug 2012- Mar 2013	Resident in Surgical Emergency Unit Kasr Al Ainy Hospital, Cairo University- Faculty Of Medicine, Cairo, Egypt.
-----------------------	--

May 2012- Jul 2012	Resident in General and Vascular Surgery Department Kasr Al Ainy Hospital, Cairo University- Faculty Of Medicine, Cairo, Egypt
-----------------------	---

Jan 2012-	Resident in Neonatology Surgery Specialized Unit
-----------	--

April 2012	Children Specialized hospitals, Cairo University, Faculty Of Medicine, Cairo, Egypt.
Jan 2011- Jan2012	Resident in Pediatric Surgery Department Children Specialized hospitals, Cairo University, Faculty Of Medicine, Cairo, Egypt.
Mar 2009- Mar 2010	House staff Physician , Transitional internship year Kasr Al Ainy Hospital, Cairo University- Faculty Of Medicine, Cairo, Egypt.

Research Experience

2013	MSc thesis: Retrosternal versus trans-hiatal gastric tube esophageal replacement in children
2014-	Esophageal pH-impedance and manometry studies for children
2014-	Feminizing genitoplasty in DSD

Honors and Awards

2002-2008	Honors in Ophthalmology, Internal Medicine, Obstetrics & Gynecology, Otorhinolaryngology, Pediatrics, Forensic medicine and Community Medicine Cairo University, Egypt.
2009	Certificate of appreciation awarded in recognition of valuable contributions in organization of Radiosonography course

Courses and Workshops

Nov 2014	Organizer and Case Presenter in Disorders of Sex Development (DSD) workshop, 10 th Biennial Conference of Pan African Paediatric Surgery Association (PAPSA)
Nov 2014	Accreditation by the American Academy of continuing medical education (CME) for completion of educational activity of 10 th Biennial Conference of Pan African Paediatric Surgery Association (PAPSA) (41.75 accredited hours)

Nov 2014	Greenwood Overseas BAPS Neonatal Surgical Skills Course, 10 th Biennial Conference of Pan African Paediatric Surgery Association (PAPSA)
Nov 2014	Minimal Invasive Pediatric Surgery Workshop, 10 th Biennial Conference of Pan African Paediatric Surgery Association (PAPSA)
Sep 2014	Inguino-Scrotal Surgery in Pediatrics workshop, APSD
Sep 2012	Advanced Trauma Operative Management Learning Resource Center, Cairo University, Egypt
Dec 2010	Advanced Support Provider Course certified as ALS Provider European Resuscitation Council
Jan 2010	Basic Clinical, Obstetrics & Gynaecology and Surgical Skills Course Learning Resource Center, Cairo University, Egypt
Aug 2009	Radiosonography Course Radiology Department, Cairo University
May 2009	Immediate Life Support Provider Course European Resuscitation Council

Seminars & Presentations

Nov 2014	Speaker at 10 th Biennial Conference of Pan African Paediatric Surgery Association (PAPSA) presenting paper titled "Iso-peristaltic gastric tube for esophageal replacement in children"
2008	"Acute abdomen seminar" Internal medicine Department, Kasr Al Ainy School of Medicine, Cairo university, Egypt.

Summer Activities

March 2010- Oct 2010	Volunteer at Surgical oncology department, National Cancer institute, Cairo University
Jul 2006	Observer in Cardiothoracic surgery, Kasr Al-Aini teaching hospital
Jul 2005	First Aid basic skills course, Ministry of Health

Language skills	
Arabic: mother tongue English: fluent French: fair	
Extracurricular Activities	
Teamwork: Adminstrator of Medad Team "a team providing learning facilities to medical students"	
Volunteer & Community Service	
Resala Charity Organization; sharing in medical convoys and different other activities	
Interests & Hobbies	Learning new skills Reading Snooker and pool Playing football and table tennis Horseback riding

Log book

According to the log book of 3 years of residency in pediatric surgery, he has shared in 2905 intervention, his role in each was as follows:

1. Neonatal surgery

	Operation	assistant	Main operator
1	congenital hypertrophic pyloric stenosis	23	65
2	Neonatal intestinal obstruction	46	21
3	Imperforate anus	15	16
4	Gastroschisis	20	5
5	abdominopagus	1	-
	Total	105	107

2. Emergency surgery

	Operation	assistant	Main operator
1	Contrast study under c arm	10	18
2	Pneumatic reduction	40	47
3	Intussusception	37	28
4	irreducible oblique inguinal hernia	22	12
5	Exploration	45	18
6	Appendectomy	25	87
7	Colostomy	15	36
8	Burst abdomen	6	5
9	Gastrostomy	20	18
10	Bleeding after circumcision	15	12
11	torsion testes	7	4
12	suprapubic cystocatheter	6	3
13	urethral dilatation	18	10
14	Venous cut down	4	2
15	Central venous line insertion	28	96
16	Chest tube insertion	4	15
17	Abscess	7	25
	Total	309	436

3. Day case surgery

S	Operation	assistant	Main operator
1	Oblique inguinal hernia	50	400
2	recurrent Oblique inguinal hernia	10	2
3	Hydrocele	15	150
4	Undescended testis	30	95
5	Circumcision	40	230
6	Anterior penile hypospadias	50	90
7	Anterior penile hypospadias (recurrent)	25	5
8	scrotal web	10	5
9	Umbilical hernia	25	32
10	Rectal biopsy	4	40
11	Anal fistula	10	5
12	Cut back anoplasty	13	3
13	Examination under anesthesia	15	12
14	Ulcer biopsy	3	0
15	Simple ganglion	5	6
	Total	305	1075

4. Head and neck surgery

	operation	assistant	Main operator
1	Tissue expander extraction	3	-
2	Encephalocele	-	-
3	dermoid cyst	15	10
4	Cleft lip	5	3
5	Palatal fistula	2	-
6	Ranula	4	1
7	Tongue tie	8	54
8	Branchial fistula	1	16
9	thyroglossal fistula	10	5
10	Lymph node biopsy	2	10
	Total	50	97

5. Thoracic surgery

S	Operation	assistant	Main operator
1	Esophageal Atresia	35	16
2	Congenital diaphragmatic hernia	25	4
3	Esophageal dilatation	20	15
4	Gastric Tube	16	-
	Total	96	35

6. Gastrointestinal surgery

	operation	assistant	Main operator
1	Extrahepatic biliary atresia	15	-
2	Splenectomy	5	20
3	Choledochal cyst	18	-
4	Transabdominal endorectal pull through	36	-
5	Posterior sagittal anorectoplasty	18	
6	Closure of colostomy	12	17
7	Recurrent Recto urethral fistula	1	-
8	perineal tear repair	1	1
	Total	106	38

7. Tumor surgery

	operation	assistant	Main operator
1	Lymphangioma	4	-
2	haemangioma	3	4
3	Meningomyelocele	4	
4	ovarian cyst excision	19	3
	Total	30	7

8. Endoscopies

	operation	assistant	Main operator
1	Thoracoscopic lung biopsy	3	1
2	Laparoscopic choledochal cyst excision	10	-
3	Laparoscopic cholecystectomy	8	12
4	Laprosopic Undescended testes	7	8
5	esophagogastroduodenoscopy	8	3
	Total	28	21

9. Plastic surgeries

	operation	assistant	Main operator
1	Post burn thiersch graft	8	6
2	Tendon repair	15	20
	Total	23	26
