Job Objectives: **Geophysicist**

Personal Data:

Present Position: **Fresh graduate from Geophysics department – Faculty of Science – Cairo University, Cairo, EGYPT.**

Date of Birth: **July 15, 1987.**

Place of Birth: **Qalyoubia, Egypt.**

Nationality: **Egyptian.**

Marital status: **Married**

Personality: **Self Dependent, Initiative, Dynamic and team working.**

Physical Aptitude: **Excellent and Perfect.**

Educational Degree: • **Currently working on Master Degree at Geophysics Department Cairo University**

- **Very good as a cumulative degree.**
- **Good at the first year.**
- **Very good at the 2nd year.**
- **Excellent at the 3rd year.**
- **Excellent at the 4TH year**

Languages: • **Arabic is the mother tongue.**

- **English is good.**
- **French is fair.**
- **Germany is fair.**

Experience: • **Currently working as a teaching assistant at Geophysics department - Cairo University.**

- **Training Programs:**
 - ⌘ **July 2007, at Shell Co.**
 - ⌘ **August 2007, at Schlumberger Co.**
- **2005, educative tour at Helwan Geophysical & Astronomical Observatory& trip into concession of el_hamra oil company .**
- **2005, educative tour at Schlumberger Co.**
- **2007, obtained The Schlumberger Scholarship Awards.**

Special Skills:

Computer skills:

- ⌘ Microsoft Office programs; have attended course at the Engineering Faculty at Cairo.
- ⌘ Internet.
- ⌘ Have learned FORTRAN & QBASIC; for geophysical formula transformation into computer program.
- ⌘ Have learned SURFER program, for map contouring.

Interests:

Reading, walking.

Local Publications:

Graduation project about "soil response" , Have written short researches about "Potential geophysical methods, Seismic data acquisition and Global Warming".

Gained Experience During Attending Training Programs:

OASIS & FOX	Have learned how to use these programs in drawing and setting the coordinates of the concession area, at Shell Co.
GEOMATICS	Have made a presentation in Geodetic Awareness, at Shell Co.
Seismic Interpretation	Have made a project in seismic interpretation, provided me with the basic fundamentals and gave me the meaning of team working, at Shell Co.
GEOFRAME	Have learned the basic fundamentals of GEOFRAME, at Schlumberger Co., DCS Department.
VSP Processing	Have made a presentation in VSP Processing at Schlumberger Co., DCS Department.

Availability Date: **Just after mutual agreement.**
