EXAMINATIONS DEPARTMENT

19/11/2013

Dear Dr Abd El Wahab,

MRCPCH Foundation of Practice & Theory and Science - 08/10/2013

RCPCH code number: 230139 Candidate number: 1611

I am writing to inform you of your results in the above examination.

Foundation of Practice (FOP)	Theory and Practice of Science (TAS)
Examination Score: 60.23%	Examination Score: 62.50%
Result: Pass	Result: Pass

Categories	Categories
Pass: 56.53%- 100.0%	Pass: 55.97% - 100%
Fail: 0% - 56.52%	Fail: 0% - 55.96%

The pass mark is calculated using an approved form of criterion referencing. By using this method every candidate is judged against a previously agreed standard i.e. there is no predetermined pass rate or pass mark. Please refer to the relevant section of the College website for further information on how the pass mark is calculated.

We are pleased to be able to introduce more detailed feedback for the Foundation of Practice & Theory and Science. Please see the attached sheet for information regarding your breakdown of scores by category. This sheet now contains additional information on the performance of the UK based candidates who passed the exam, which may be useful in assessing your performance.

The percentage shown represents the correct response in that category. Your performance will not correspond directly with your overall percentage score. Please use the information as indicative of your performance in these categories only. We hope this feedback is helpful to you.

For all UK, India and overseas application periods please visit our website by clicking [here](#).

Yours sincerely

Kevin Windebank
Officer for Examinations

MRCPCH Foundation of Practice Examination Feedback Report					
Name: Mohamed Samir Eid Abd El Wahab				Code: 230139	
We are pleased to provide feedback on the MRCPCH Foundation of Practice Examination. This provides guidance on your performance in the competences given in the syllabus (listed below) and allows you to compare with the performance of the UK Trainees passing this examination.					
This feedback gives your performance as a percentage and the cohort performance as a mean percentage. Please be aware that it is not possible to use these percentages to calculate your overall exam score as each competency area is likely to hold a different number of questions and scores, with some falling under more than one area.					
Foundation of Practice Examination	Your score %	Mean % score of UK trainees who passed the exam	Foundation of Practice Examination	Your score %	Mean % score of UK trainees who passed the exam
General Competences:	N/A	N/A	Genetics & Dysmorphology:	61.54	85.20
Adolescent Health:	58.82	67.90	Emergencies:	100.00	12.50
