

## **Nada Mostafa Amer**

***Nada Mostafa Mohamed Ahmed Amer***

***Address: 42 Abu Borik Street - Maadi, Cairo, Egypt***

***Phone: 01022666076***

***E-mail: nada.amer@hotmail.com***

### ***Professional Summary Experience***

- Assistant lecturer, Geology Department, Faculty of Science, Cairo University. Jun. 2013 – Present
- Teaching Assistant, Geology Department, Faculty of Science, Cairo University. Jan. 2008 – Jun. 2013

### ***Education***

- Ph.D. Sedimentology, Geology Department, Faculty of Science, Cairo University. Since Oct. 2013  
Thesis title: “Sedimentary Facies Analysis, Cyclicity and Reservoir Characterization of the Pliocene - Pleistocene Hydrocarbon - bearing Sequences in East Nile Delta Province, (Ras El Bar Concession).”
- M.Sc. Sedimentology, Geology Department, Faculty of Science, Cairo University. Oct. 2008 – May 2013  
Thesis title: “Sedimentary Facies Analysis and Cyclicity of Post-Miocene Sequences in the Northeast Offshore Nile Delta (Ha'py Field Case Study).”
- B.Sc. of Science, Geology Department, Faculty of Science, Cairo University. Sep. 2003 – Jul. 2007

### ***Publications***

- The 6<sup>th</sup> International Geosciences Student Conference - Prague, Czech Republic, extended abstract and poster presentation. July 2015  
Title: “Sedimentary Facies Analysis, Cyclicity and Reservoir Characterization of the Northeastern Offshore Nile Delta (Ha'py Field Case Study)”.

- The 6<sup>th</sup> EAEG Saint Petersburg International Conference & Exhibition - Saint Petersburg, Russia, extended abstract (EarthDoc) and oral presentation. April 2014

Title: “Cyclicality, Geological Modeling and Reservoirs Characterization in NE Offshore Nile Delta (Ha’py Field Case Study)”.

- The EAGE/FESM Joint Regional Conference Petrophysics Meets Geoscience - Kuala Lumpur, Malaysia, extended abstract (EarthDoc) and poster presentation. Feb. 2014

Title: “Cyclo-sequence Stratigraphy of Shallow Marine Pliocene Hydrocarbon Reservoirs in the Offshore Nile Delta Province (Ha’py Field Case Study)”.

***Languages***

- Excellent Arabic speaking and writing (native).
- Very good English speaking and writing.
- Attending General English Course, British Council. Oct. – Dec. 2010
- Attending English Conversational Course, American University in Cairo (AUC). Aug. 2007

***Computer Skills***

- Graphic Diploma authorized from Adobe (Photoshop CS4 (level.1), Photoshop CS4 (level.2), Illustrator CS4, In Design CS4, Acrobat Pro., FreeHand, Quark Express programs, Art Work, Design and Color Theory). Jan. – May 2010

***Additional Information***

- Attending “Al Amal -1” Geoscience Summer School. July – Aug. 2007
- Undergraduate Trainee;
  - Shell Egypt Petroleum Company. Summer 2006
  - Khalda Petroleum Company. Summer 2006
  - Suez of Zeit Petroleum Company. Summer 2006
  - Nuclear Materials Authority. Summer 2005

### ***Awards***

- SPE Faculty Enhancement Travel Grant Program Award for the Middle East Region to attend the “2015 IATMI/SPE Asia Pacific Oil & Gas Conference and Exhibition, Bali Nusa Dua Convention Center (15APOG)”, Bali, Indonesia. Oct. 2015
- SEG/ExxonMobil Student Education Program (SEP) Award to attend Education Program (seismic interpretation workshop) and the “6<sup>th</sup> International Geosciences Students Conference”, Prague, Czech Republic. July 2015
- EAEG Travel Grant Award to attend the “6<sup>th</sup> Saint Petersburg International Conference & Exhibition”, Saint Petersburg, Russia. April. 2014
- Graduate Research Challenge Fund (GRCF) Award for M.Sc. students, Faculty of Science, Cairo University. January 2009
- Nasry Metery Shokary Award for the first graduated student of geology major department, Faculty of Science, Cairo University. March 2008
- Schlumberger Award for distinguished students in geoscience studies. Fall 2004

### ***Professional Memberships***

- Member in Society of Petroleum Engineers (SPE).
- Member in Society of Exploration Geophysicists (SEG).
- Member in International Association of Sedimentologist (IAS).
- Member in American Association of Petroleum Geologist (AAPG).
- Member in European Association of Geoscientists Engineers (EAEG).

### ***Community Services***

- Facilitation of “Gain and Give” geoscience summer school. July 2011
- Facilitation of “Energy for me” geoscience summer school. July 2011
- Facilitation of “Young Professionals” geoscience summer school. July 2010
- Facilitation of Al Amal-5, -4, -3, & -2 geoscience summer school by Egyptian Geophysical society (EGS). 2008 – 2012
