

Fig.(1) Microagglutination titer in sera of vaccinated turkey poult s using O1 antigen and challenged with E.coli serotype O1:

Gina, M. Mohammed et al....

Efficacy of an experimental E.coli inactivated vaccine,,,,,

Fig.(2) Microagglutination titer in sera of vaccinated turkey poult s using O78 antigen and challenged with E.coli serotype O78:

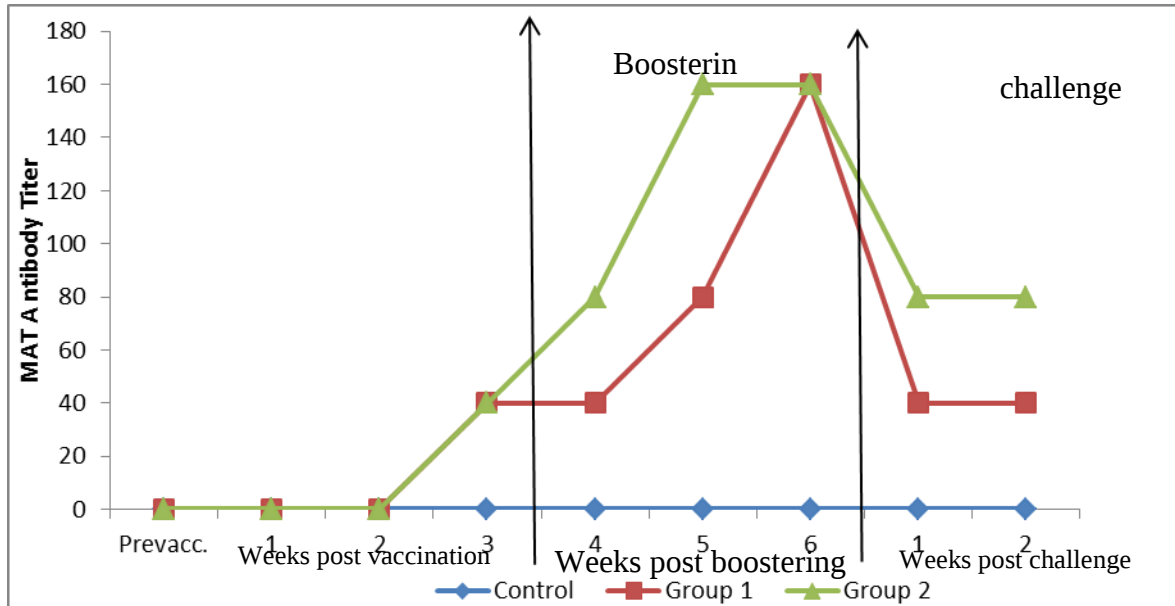

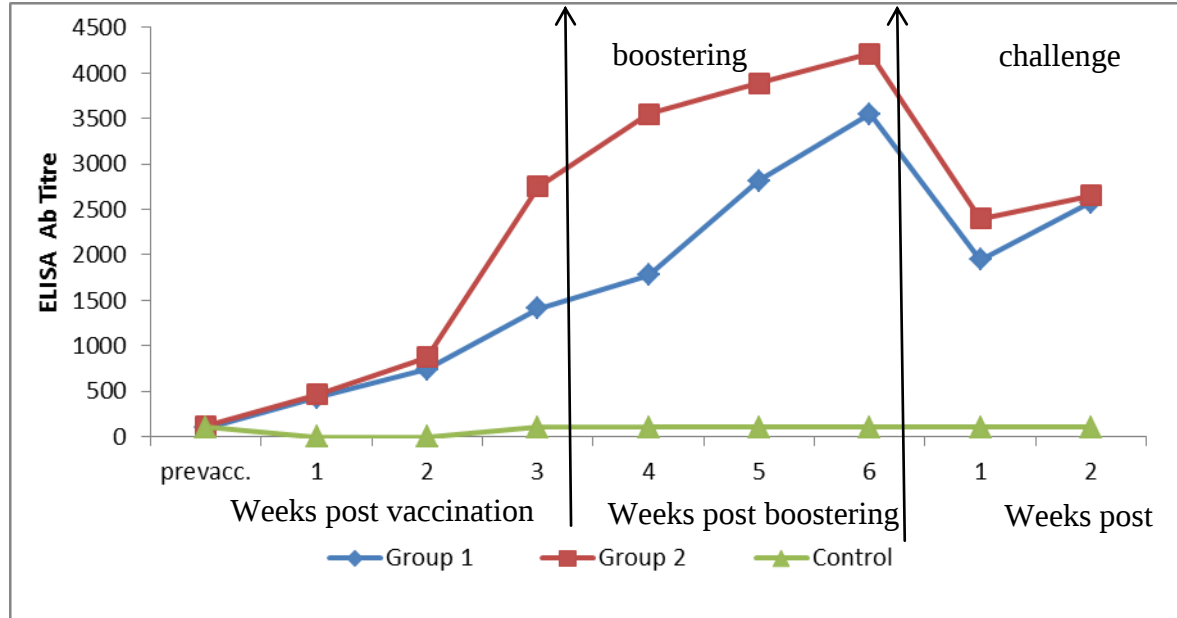

Fig.(3) ELISA titer in sera of vaccinated turkey poultts using O1 antigen and challenged with E.coli serotype O1

Efficacy of an experimental E.coli inactivated vaccine,,,,,

Gina, M. Mohammed et al....

Efficacy of an experimental E.coli inactivated vaccine,,,,,

Fig.(4) ELISA titer in sera of vaccinated turkey poultts using O78 antigen and challenged with E.coli serotype O78:
