

Shaimaa Shaheen Mohammed Abdelrazek is an assistant lecturer in department of neurology in Kaseelainy hospital.

I was graduated from faculty of medicine on 2004, and then I work as resident in department of neurology from 2006 till 2009.

I have the MSc degree on 2011; my thesis was on serum leptin and insulin level in epileptic patients.

I worked as a demonstrator on 2010, and become assistant lecturer on 2011.

MD degree was given to me on 2016.
