7. About Hurghada

Hurghada is a most sought tourist destination of the [Red Sea](#) coast and an international center for aquatic sports, windsurfing, sailing, deep-sea fishing, swimming, snorkeling and diving. The unique underwater gardens offshore are some of the finest in the world. The warm water in Hurghada is an ideal environment for many varieties of rare fish and coral reefs, which may also be observed through glass bottom boats.

Hurghada is known as a party town, where life begins at night with the many clubs. Hurghada is also a beach resort to enjoy the sun and fun.

Islands near Hurghada offer all kinds of fun and excitement. Take a day trip to Giftun Island for snorkeling and a fish barbecue, or view the Red Sea from a

submarine. Day-trips or safaris to explore the Red Sea Mountains by camel or jeep are also available.
