Curriculum Vitae

Mina Anis Amin Ibrahim

Assistant Lecturer Department of Chemistry, Faculty of Science, Cairo University, Giza, Egypt

PERSONAL DATA

| Date of birth | 6 / 1 / 1989 |
|----------------|---|
| Nationality | Egyptian |
| Marital Status | Single |
| Telephones | 0020235687352 (home), 00201222854423 (mobile) |
| E-mail | mina_anis89@hotmail.com |

QUALIFICATIONS

| <i>M. Sc.</i> | <i>(Inorganic</i>) 2014 Cairo University. |
|---------------|--|
| B.Sc. | <i>Major Chemistry</i> 2010 (<i>Excellent with class honor</i>) Cairo University. |

EMPLOYMENT HISTORY

Assistant Lecturer Department of Chemistry, faculty of Science, Cairo University, Egypt 2014

Demonstrator (TA) Department of Chemistry, faculty of Science, Cairo University, Egypt 2010-2014

TRAINING

- The National research center in applied organic Chemistry.
- Company of drinking water and drainage in Giza.
- Cairo university center for environmental hazard mitigation.

COMPUTER SKILLS

- 1. ICDL certificate approved from UNISCO
- 2. ChemDraw
- 3. Sigma Plot
- 4. HyperChem
- 5. TA50WS

LANGUAGE SKILLS

- 1. Mother tongue: Arabic
- 2. English: very good (87 TOEFL-iBT)

CONFERENCES

 Synthesis and characterization of novel series of Fe(II)-mixed ligand complexes involving 2,2'-bipyridyl ligand,Ahmed A. Soliman, *Mina A. Amin*, Ahmed A. El-Sherif, Saliha Ozdemir, Canan Varlikli, Ceylan Zafer, Advanced Materials World Congress (AMWC 2013) Izmir, Turkey, 16-19 September, 2013.

PUBLICATIONS

- 1. Synthesis and characterization of novel series of Fe(II)-mixed ligand complexes involving 2,2'-bipyridyl ligand,Ahmed A. Soliman, *Mina A. Amin*, Ahmed A. El-Sherif, Saliha Ozdemir, Canan Varlikli, Ceylan Zafer, Dyes and Pigments, 99:3 (2013) 1056-1064.
- 2. Spectroscopic, Thermal, magnetic, chemical speciation studies, thermodynamics and complex formation equilibria of binary and mixed ligand complexes of Cu(II) with 2,2'-Bipyridyl and some aromatic diamines. Ahmed A. Soliman1, Ahmed A. El-Sherif1, *Mina A. Amin.* Journal of Solution Chemistry, (*Under publication*).

PROFESSIONAL RECOGNITION AND ACTIVITY AWARDS

- Ranked second among the 60 students of the class and tenth among all 2010 graduated students.
- Ranked first in post graduated courses in Inorganic chemistry in partial fullfilment of the degree M.Sc.
- Good attendance in most symposiums and seminars helded inside and outside the faculty.
- Awarded the Shlumberger Scholarships, in the academic years 2007-2008 and 2008-2009.

REFERENCES

1. Prof. Dr. Ahmed Soliman Abdellah , professor of inorganic chemistry, Cairo university, Egypt.
