Subject: *Confirmation of paper acceptance at IASP World Conference, Moscow - September 2016.*

Dear Prof. Shokry,

The International Association of Science Parks and Areas of Innovation (IASP) hereby confirms that your paper titled 'The Architectural building blocks of innovation: new indicators for attracting the global talents' was approved for Plenary session 3 (The impact of STPs and AOIs) for oral presentation in Moscow (Russia) on 21st September 2016 and publication in the proceedings of the IASP conference.

Best regards,

 IASP

Luis Sanz
Director General
