

Nourhan Yehia Mostafa Hassan

Date of Birth: 27/07/1990 **Nationality:** Egyptian **Mobile Number:** +2/01285245497
E-mail: nourhan.yehia@gmail.com **Address:** 157 B El Ahram Gardens, Al Haram Street, Giza, Egypt.

Objective

Seeking an opportunity through which I could upgrade my technical skills, scientific knowledge and start practically working the field of scientific research.

Education

2007-2011: Biotechnology / Biomolecular Chemistry Program, Faculty of Science, Cairo University. (Score: **Excellent degree with honour**, GPA: **4.13** on scale of 5)

2000-2007: Pre-University Education; Modern Narmer Language School (Score in High School: **96 %**).

Training

Aug., 2010 **Three Weeks Training;** Abul Reesh Children's Hospital - Microbiology laboratory.
 Jul., 2010 **First AUC Interdisciplinary Science Program;** American University in Cairo including three modules: Astrophysics & Space Science Applications, DNA and Genomics and Sustainable Farm Management.

Work Experience

Oct., 2011-Sep., 2012 **Science Teacher; Primary Stage;** Modern Narmer Language School, Giza.
 Sep., 2012-May, 2013 **Chemical Specialist;** Department of Pharmacognosy; Pharmaceutical Division; National Research Center (NRC), Giza.
 May, 2013-Present **Teaching Assistant;** Biotechnology/Biomolecular Chemistry Program; Chemistry Department; Faculty of Science, Cairo University.

Extracurricular Activities

Oct., 2014 **Head of Organizing Committee;** 20th International Conference on Modern Trends in Zoology; Marriott Zamalek, Cairo, Egypt.
 Sep., 2011 **Head of Organizing Committee;** The First Conference in the Clinical Nutrition "Healthy and Safe Food for Carcinogenic Free Community"; Children's Cancer Hospital 57357-Egypt.
 Jul., 2011 **Member in Organizing Committee;** Second International Workshop on Industrial Biotechnology; Cairo University.
 Mar., 2011-Present **Board of Directors Member,** Biotech-City; NGA registered by 3894 in 2011.
 Dec., 2010-Dec., 2011 **United Nations Development Program (UNDP) volunteer,** the Millennium Development Goals Awareness project, Cairo University, Egypt.
 Aug., 2010-Nov., 2011 **Head of Mini Science Park,** the organizing committee, The First International Biotechnology Innovation Conference, Cairo University.

Projects

Jul., 2011 **"Preparation of DNA Constructs of Avian Influenza Virus to be used as DNA vaccine".** Submitted for the partial fulfilment of the Bachelor degree of Science in Biotechnology / Biomolecular Chemistry; Faculty of Science, Cairo University.

Conferences and Events

Nov., 2014 **Novel Insights into Cancer Biology: New Targets and Therapeutic approaches;** Cairo University Conference Center, Student City Campus, Giza, Egypt.
 Oct., 2014 **20th International Conference on Modern Trends in Zoology;** Marriott Zamalek, Cairo, Egypt.

- Dec., 2013 **The 11th Annual Congress of Medical Science** “Medical Research between Theory & Applications: Challenges and Innovations”; National Research Centre.
- Mar., 2013 **Symposium Of Unique Life (SOUL)**; Cairo University. (Participated with an oral talk entitled “*Preparation of DNA Constructs of Avian Influenza Virus to be used as DNA vaccine*”).
- Jan., 2012 **FameLab**; El-Sawy Cultural Wheel in collaboration with the British Council in partnership with Research, Development & Innovation (RDI) Programme, Cairo. (Participated with a presentation entitled “*Stem Cells; Hope for hopeless*”).
- Sep., 2011 **The First Conference in the Clinical Nutrition** “Healthy and Safe Food for Carcinogenic Free Community”; Children’s Cancer Hospital 57357-Egypt.
- Jul., 2011 **Second International Workshop on Industrial Biotechnology**; Cairo University. (Participated with a poster entitled “*Preparation of DNA Constructs of Avian Influenza Virus to be used as DNA vaccine*”).
- Nov., 2010 **First International Biotechnology Innovation Conference**; Cairo University. (Participated with an oral talk entitled “*Biotechnology giving the hope for the treatment of Retinitis Pigmentosa*”).
- Aug., 2010 **Stem Cell Symposium**; “BioKMT” society; Cairo University.
- Jul., 2010 **First Industrial Biotechnology Workshop**; National Research Centre. (Participated with a poster entitled “*Integration of Modern Biotechnological Tools in Animal Breeding & Their Effect on Different Industrial Sectors*”).
- June, 2010 **MSA Annual Conference for Pharmacy & Biotechnology Students**; October University for Modern Science and Arts and University of Greenwich. (Participated with a poster entitled “*The promise of Stem Cells for Humanity*”).
- Apr., 2010 **Forth International Conference in Modern Techniques in Forensic Science**; Ministry of Justice. (Participated with a poster titled “*Toxicogenomics and its Meta analysis at Cross Roads*”).
- Mar., 2010 **Seventh International Scientific Conference**; Al-Azhar University (ISCAZ 2010), Environment, Development, and Nanotechnology. (Participated with a poster titled “*The Promise of Stem Cells for Humanity*”).
- Nov., 2009 **Third International Conference of Genetic Engineering and Biotechnology Research Division**; National Research Centre. (Participated with a poster entitled “*Stem Cell Biology*”).
- Oct., 2009 **Second International Conference for Applications of Biotechnology**; October University for Modern Science and Arts and University of Greenwich. (Participated with a poster entitled “*Banana & Biotechnology ... Towards a better production*”).
- Oct., 2009 **First Undergraduate Biotechnology Symposium**; Cairo University. (Participated with a poster entitled “*Banana & Biotechnology ... Towards a better quality*”).

Courses

- Aug., 012 - Jan., 013 **Graphics Diploma**; Russian Culture Centre (RCC) Computer Department including (Adobe Photoshop, Illustrator, In-design, After Effect; version CS6).
- Dec., 2010 **Samsung Real Dreams Training Program**; Nahdet El Mahrousa’s Career & Entrepreneurship Development Office at Cairo University.
- Feb., 2010 **Bioinformatics Training Workshop**; SIRA CORP consultations and training solutions.
- Nov., 2009 **Job Seeking and Employability**; Cairo University.
- Aug., 2009 **Workshop on Clinical Research and Clinical Trials**; Cairo University, Faculty of Science in Collaboration with MINDS for training and development.
- July, 2009 **Practical Applications of Medical Laboratory Investigations**; Cairo University, Faculty of Medicine with Collaboration with Ministry of Health & Population.
- Mar., 2009 **Biotechnology and Modern Pharmaceutical Careers Seminar**; Cairo University, Faculty of Science in Collaboration with MINDS for training and development.
- Aug., 2008 **Presentation Skills**; Zedny-Raba’a Organization, Human development division.
