---

• **Personal Data:**

**Name:** Abeer Ahmed Ahmed Zayed

**BirthDate:**15-10-1968.

**Birth Place:** Cairo-Egypt.

**Nationality:** Egyptian.

**Social Status:** Married.

**Religion:** Moslem.

**E - Mail:** [abeerazayed@kasralainy.edu.eg](mailto:abeerazayed@kasralainy.edu.eg)

[abeerazayed@hotmail.com](mailto:abeerazayed@hotmail.com)

• **Current Position:**

Professor of Forensic Medicine and Clinical Toxicology, Faculty of Medicine, Cairo University.

• **Academic Degrees:**

1-**M.D.** in Forensic Medicine, Faculty of Medicine, Cairo University (May, 2001).

2- **M.Sc.**in Forensic Medicine and Clinical Toxicology, Faculty of Medicine, Cairo University (May, 1998).

3-**M.B.B.Ch**, Faculty of Medicine, Cairo University (Dec, 1992),signed up “Excellent with Honor”.

• **Professional License**

- Egyptian Ministry of Health: License number: 114339, Issue Date: 1-3-1994.
- Specialist of Forensic Medicine and Toxicology NO. 31, Issue Date: 8-11-2008.
- Consultant of Forensic Medicine NO. 26, Issue Date: 27-12-2007.
- Consultant of Forensic Medicine& Toxicology NO. 55, Issue Date: 4-12-2013.

- **Professional Experiences:**

1. **23/1/2012- current**

**Professor** of Forensic Medicine and Clinical Toxicology, Faculty of Medicine, Cairo University.

2. **27/12/2006-22/1/2012**

**Assistant Professor** of Forensic Medicine and Clinical Toxicology, Faculty of Medicine, Cairo University.

3. **31/10/2001-26/12/2006**

**Lecturer** of Forensic Medicine and Clinical Toxicology, Faculty of Medicine, Cairo University.

4. **9/11/1998-30/10/2001**

**Assistant Lecturer** of Forensic Medicine and Clinical Toxicology, Faculty of Medicine, Cairo University.

5. **20/3/1996-8/11/1998**

**Demonstrator** of Forensic Medicine and Clinical Toxicology, Faculty of Medicine, Cairo University.

6. **13/2/1995-19/3/1996**

**Clinical Demonstrator** of Cytology in the Pathology Department in The National Cancer Institute, Cairo University.

7. **1/3/1994-1/2/1995**

**General practitioner** in the Egyptian Ministry of Health.

8. **1/3/1993-28/2/1994**

**House officer** in Kasralainy Hospitals, Faculty of Medicine, Cairo University.

- **Academic and Scientific Activities**

- A. **Current tasks:**

1. **Basic Sciences Coordinator** of the Integrated Program of Kasr Alainy (**IPKA**) for the academic year 2015- current.

2. Member of the *Scientific Referee Board for Academic Staff Promotion in the Supreme Council of Egyptian Universities* (The 11<sup>th</sup> & 12<sup>th</sup> Committee) 2013-current.

**B. Undergraduate Teaching Activities of Forensic Medicine and Clinical Toxicology (4<sup>th</sup> year medical students):**

1. Teaching lectures & tutorial classes.
2. Coordinator of the scientific activities & assignments.
3. Supervision of the Undergraduate Lab.
4. Supervision & Organization of practical exam.
5. Internal Examiner.
6. Coordinator in the undergraduate curriculum development program of Forensic Medicine and Clinical Toxicology, Faculty of Medicine, Cairo University.
7. Coordinator & Chief participant in the Academic Support program.

**C. Postgraduate Teaching Activities**

1. Member of the *Postgraduate Examination Board (2012-2016)*.
2. Teaching lectures of Forensic Medicine and Clinical Toxicology for post-graduate students, Faculty of Medicine, Cairo University.
3. Supervision of essays and thesis in Forensic Medicine and Clinical Toxicology for post-graduate students, Faculty of Medicine, Cairo University.
4. Participation and supervision of the seminars and scientific clubs in the Department of Forensic Medicine and Clinical Toxicology, Faculty of Medicine, Cairo University.
5. Internal Examiner in Forensic Medicine and Clinical Toxicology, Faculty of Medicine, Cairo University.
6. External Examiner in Forensic Medicine and Clinical Toxicology in Egyptian universities.

**D. Previous Scientific Activities**

1. Member of the *Quality & Assurance committee* (2011-2014).
2. Member of the *Blueprint Committee* (2012-2014).
3. Coordinator of *Viva cards project* in the Department of Forensic Medicine and Toxicology, Faculty of Medicine, Cairo University (2013-2014).

4. *Secretary General* of the council of the Department of Forensic Medicine and Toxicology, Faculty of Medicine, Cairo University from the academic year 2008-2012.
5. **Control member** of the 5<sup>th</sup> year medical students' examination affairs, Faculty of Medicine, Cairo University from 2004 to 2010.
6. Forensic Medicine and Clinical Toxicology lecturer & examiner in the academic year (2009/2010) for 4th year medical students, **Misr University for Science & Technology (M.U.S.T.)**
7. Tutor in the program of **distant education for Gaza doctors** organized by the **Union of Arab Doctors at "Dar Elhekma"**(2009/2010).
8. Teaching course of Medico-legal Aspects of Healthcare for **trainees of Egyptian Fellowship, Ministry of Health, 2007-2008 &2008-2009.**
9. Member of the **E-course committee (2007/2008)** of Forensic Medicine and Clinical Toxicology, Faculty of Medicine, Cairo University.
10. Forensic Medicine and Clinical Toxicology lecturer & examiner in the academic year (2008/2009) for 4<sup>th</sup> year medical students, **El-Fayoum Faculty of Medicine,** Cairo University.
11. Forensic Medicine and Clinical Toxicology lecturer & examiner in the academic year (2002/2003) for 3<sup>rd</sup> year students, **Faculty of Nursing,** Cairo University.

● **Research Work**

a. **M. Sc. Essay**

*"Toxic Effects of Drugs Excreted in Human Milk"*.

b. **M.D. Thesis**

*"Forensic Toxicological Analytical Study of some Agonist -Antagonist Opioid Analgesics"*.

c. **Publications:**

1. *The role of PON1 and CYP2D6 Genes in Susceptibility to Organophosphorus Chronic Intoxication in Egyptian Patients.* Neurotoxicology; 53 (2016) 102-107.

2. *Paraoxonase-1 and CytochromeP450 Polymorphisms in Susceptibility to Acute Organophosphorus Poisoning In Egyptians.* NeuroToxicology; 51 (2015) 20–26.
3. *Abusing Female children by circumcision is continued in Egypt.* Journal of Forensic and Legal Medicine; 19 (2012) 196-200.
4. *Polymorphisms of DNA Repair Genes and Sun Exposure as Predisposing Factors for Age Related Cataract.* Comparative Clinical Pathology International Journal in 21 July 2011, and cited in Forensic scientist's blog tagged from Forensic News.
5. *Impact of Gender and Race on Fingerprint Recognition System in Egyptians versus Malaysians.* El-Mansoura J. Forensic Med. Clin. Toxicol.; July, 2011.
6. *Medicolegal Significance of Diffuse Axonal Injury (DAI). A Forensic, Histopathological and Immunohistochemical Interpretation. (Thesis)* Ain Shams Journal of Forensic Medicine &Clinical Toxicology; June, 2011.
7. *Clinical and Investigative Determinants to ICU Admission of Adults versus Children in Acute Intoxication by Anticholinesterase Pesticides “Retrospective Study of Notified Cases” (Thesis).* The Egyptian Journal of Forensic Sciences and Applied Toxicology; June 2011.
8. *The Deliberate Choice of Death” Retrospective Evaluation of Suicide Victims received by Emergency Department in Kasr-Alainy Hospitals.* The Egyptian Journal of Forensic Sciences and Applied Toxicology; June 2011.
9. *Tracing the Effect of Antidepressants Therapy on Handwriting Documentaries.* Ain Shams Journal of Forensic Medicine &Clinical Toxicology; June, 2011.
10. *Subchronic Toxicity Profile of Imidaclopride Insecticide in Albino Rats.* The Egyptian Journal of Forensic Sciences and Applied Toxicology; Dec. 2010.
11. *The Use of Deferiprone versus the Use of Pegylated Liposomal Doxorubicin for Protection againstDoxorubicin-Induced Cardiac Toxicity in Albino Rats.* Kasr El-Aini Medical Journal, June 2009.
12. *Chromosomal Aberrations in Operating Room Nurses Exposed To Waste Anesthetic Gases.* The Journal of the Egyptian Society of Hematology and Research; Sept. 2008.

13. ***Postmortem redistribution of thiopental sodium in rats; experimental approach.*** The Journal of Legal Medicine and Forensic Sciences; Jan. 2006.
14. ***Lipid peroxidation in carbon tetrachloride induced hepatotoxicity and the effect of selenium therapy.*** Ain Shams Journal of Forensic Medicine & Clinical Toxicology; Jan. 2006.
15. ***The Ulna is a possible sex discriminator in fragmentary bones among Egyptians.*** The Egyptian Journal of Forensic Sciences and Applied Toxicology; Jun. 2005.
16. ***The Pattern of Thermal Injuries among Egyptian Children - A Prediction for Child Abuse.*** The Egyptian Journal of Forensic Sciences and Applied Toxicology; Dec. 2005.
17. ***Fibronectin and glutathione peroxidase levels and genotoxicity among workers in an aluminum plant.*** The Egyptian Journal of Forensic Sciences and Applied Toxicology; Dec. 2005.
18. ***Experimental study of sub chronic toxicity of Sildenafil Citrate (Viagra); histological changes and detection.*** The Egyptian Journal of Forensic Sciences and Applied Toxicology; Jun. 2005.
19. ***Possible immune modulation due to exposure to Butachlor in albino rats.*** The Egyptian Journal of Forensic Sciences and Applied Toxicology; Dec. 2004.
20. ***Acrylamide a home prepared toxin.*** The Egyptian Journal of Forensic Sciences and Applied Toxicology; Dec. 2004.

**d. Supervised Essays and Thesis:**

1. ***Medico-legal Significance of Diffuse Axonal Injury. A Forensic, Histopathological and Immunohistochemical Interpretation.*** Thesis for M.D. in Forensic Medicine.
2. ***Clinical and Investigative Determinants to ICU Admission of Adults versus Children in Acute Intoxication by Anticholinesterase Pesticides.*** Retrospective cases of notified cases for M.Sc. in Forensic Medicine & Clinical Toxicology.
3. ***Medico-legal Aspects of Blood Stain Pattern.*** Essay for M.Sc. in Forensic Medicine & Clinical Toxicology.
4. ***Medico-legal Aspects of Epilepsy.*** Essay for M.Sc. in Forensic Medicine & Clinical Toxicology.

5. ***Medico-legal Aspects of Death in Custody.*** Essay for M.Sc. in Forensic Medicine & Clinical Toxicology.
6. ***Medico-legal Aspects of Death under Anesthesia.*** Essay for M.Sc. in Forensic Medicine & Clinical Toxicology.
7. ***Retrospective Study of Sodomy Cases in Some Egyptian governorates.*** Thesis for M.Sc. in Forensic Medicine & Clinical Toxicology.
8. ***Individual Susceptibility to Xenobiotic Induced Hepatotoxicity.*** Essay for M.Sc. in Forensic Medicine & Clinical Toxicology.
9. ***Methods of execution currently used and human rights considerations.*** Essay for M.Sc. in Forensic Medicine & Clinical Toxicology.
10. ***Comparative Study of Cytokines and Tissue Plasminogen Activator in Sharp versus Blunt Trauma for Estimation of Wound Age.*** Thesis for M.D. in Forensic Medicine & Clinical Toxicology.
11. ***The role of Pon-1 Activity and Polymorphism of Pon-1 and Cytochrome P450 Genes in Susceptibility Assessment to Organophosphorus Poisoning in Egyptian Cases.*** Thesis for M.D. in Forensic Medicine & Clinical Toxicology.
12. ***Evaluation Of mRNA-based Approach for the Definitive Identification of Saliva.*** Thesis for M.D. in Forensic Medicine & Clinical Toxicology (2014).
13. ***A Study of Genotoxicity of Anesthetic Drugs in a Group of Exposed Egyptian Individuals.*** Thesis for M.D. in Forensic Medicine & Clinical Toxicology (2015).
14. ***Role of micro RNA as a marker of liver injury in paracetamol acute toxicity.*** Thesis for M.D. in Forensic Medicine & Clinical Toxicology (2015).
15. ***Descriptive study of traumatic skull fracture cases in Kasr Alainy Hospitals in 2013.*** Thesis for M.Sc. in Forensic Medicine & Clinical Toxicology (2015).
16. ***The Usage of Cephalometric Parameters as Predictors of Stature and Gender in Egyptian Adults.*** Thesis for M.Sc. in Forensic Medicine & Clinical Toxicology (2016).
17. ***Polymorphism of XRCC1 Gene, Interaction with Environmental Exposures and Risk of Lung Carcinoma.*** Thesis for M.D. in Forensic Medicine & Clinical Toxicology (2016).

**e. Thesis under Supervision:**

***Cross-sectional study Of Injury-induced Permanent disability Cases examined by Forensic Medicine Authority in 2013.*** Thesis for M.Sc. in Forensic Medicine & Clinical Toxicology.

**f. Reviewed Thesis:**

1. ***Ethics of Stem Cell Research.*** Essay for M.Sc. in Forensic Medicine & Clinical Toxicology, Faculty of Medicine Cairo University, by Hanaa Elzahed.
2. ***Forensic graphoanalysis: A study of the effect of common diseases and drugs.*** Essay for M.Sc. in Forensic Medicine & Clinical Toxicology Faculty of Medicine Cairo University, by Dina Galal (2009).
3. ***Radiological Changes of Head and Spine after fall from a height.*** Essay for M.Sc. in Forensic Medicine & Clinical Toxicology Faculty of Medicine Cairo University, By Amr Khattab (2009).
4. ***Clinical and Laboratory Assessment of Snake Envenomation.*** Thesis for M.Sc. in Forensic Medicine & Clinical Toxicology, Faculty of Medicine Cairo University, by Mai Magdi (2012).
5. ***Factors Affecting Sex Offenders in Yemen.*** Thesis for M.D. in Forensic Medicine & Clinical Toxicology, Faculty of Medicine Cairo University, (2013).
6. ***Ethical Implications in Cosmetic Interventions.*** Essay of master degree In Forensic Medicine and Clinical Toxicology, Faculty of Medicine Cairo University, by Yasmeen Mohamed Elkashef (2014).
7. ***Comparative Study of the role of Penicillamine and dried Garlic Extract on brain and heart of adult male Albino Rats.*** M.D. Thesis by Dr. Nashwa Mohammad Shalaby, submitted for Mansoura University Award for the academic year 2013/2014.
8. ***A study of the role of vitamin C on the chronic toxic effects of bisphenol A on the liver and testes in adult male albino rats.*** Thesis by Dr. Abeer Ramzy Hussieny Mahmoud, submitted for Mansoura University Award for the academic year 2013/2014.
9. ***Experimental study for human skin identification using specific gene markers at different storage durations.*** Thesis submitted for MD degree in Forensic Medicine & Clinical Toxicology by Heba Abdo Abdel Razik (2015).

10. *Study of child abuse cases in Cairo and Giza governorates in the period from 2007 to 2011.* Thesis of Master degree in Forensic Medicine & Clinical Toxicology, Faculty of Medicine Ain Shams University, by Mohamed Ramadan Sayed (2015).
11. *Pattern of firearm injuries and fatalities referred to the medicolegal authority, Ministry of Justice, Port Said, during the revolution year; 2011.* Thesis of Master degree in Forensic Medicine & Clinical Toxicology, Faculty of Medicine Ain Shams University, by Amina Samy Nassr Abou Heiba (2016).
12. *Anthropological study on hand, foot and their prints for determination of sex and stature on Egyptian sample.* Thesis of MD degree in Forensic Medicine & Clinical Toxicology, Faculty of Medicine Cairo University, by Fatma Nada Khalifa Mohamed Mansour (2016).

**g. Supervised Seminars:**

1. "Child Abuse in Egypt".
2. "Oxygen and Ozone Toxicity".
3. "Toxicity of vulnerable groups".
4. "Toxicity of Anticoagulants".
5. "Medico-legal Aspects of Stem Cell Applications".
6. "Medico-legal Aspects of Torture".
7. "Medico-legal Aspects of Train accidents".
8. "Organophosphate Poisoning Presenting As Acute Respiratory Distress in a Neonate: Case Study".
9. "Genetic polymorphism & Toxic response".

**h. Published Books:**

1. *"Integrated basic sciences PBL cases" for 1<sup>st</sup> year medical students (Editor and reviewer) 2016.*
2. *"A to Z" MCQ in Forensic Medicine & Toxicology, 2007 & 2010 (Author) deposit number (25136/2007).*
3. *Activity Book in Forensic Medicine & Toxicology, 2008 (Author).*
4. *Forensic Medicine a Guide to principles, 2012 (Co-author & Reviewer)*
5. *Forensic Medicine, A physician's guide, 2014 (Editor & Co-author).*
6. *Clinical Toxicology, A physician's guide, 2015 (Reviewer).*
7. *Review of Forensic Medicine & Clinical Toxicology, Questions and Answers, 2010-2016 (Co-author).*

8. *Hand-Outs in Medico-legal Aspects of Healthcare* for trainees of Egyptian Fellowship, Ministry of Health, 2008(*Co-author*).

9. *Medical Ethics-An Introduction for Medical Students* by Prof. Dr. Dina Shokry, 2009 (*Reviewer.*)

● **Peer Reviewer**

- Member of the scientific board of the *European Scientific Journal* (2014).
- Member of the review board of *Dove Medical Press* (New Zealand).
- Editor & reviewer in the *Egyptian Journal of Forensic Sciences and Applied Toxicology*.

● **Membership in Professional Associations:**

1. European Network of Social & Emotional Competence of Children (ENSEC) since 2011.
2. Pan-Arab Forensic Doctors Society since 2004.
3. Egyptian Society of Bio-Anthropological Sciences since 2002.
4. Egyptian Association for Forensic Medicine and Toxicology since 1997.

● **Participation in Medical Congresses and Conferences**

A- **Organizer of:**

1. **Coordinator** in the annual conference of Faculty of Medicine Cairo University May 2016.
2. **Secretary General and Head of the scientific committee** of the 6<sup>th</sup> Summer School on Domestic Violence held in Faculty of Medicine, Cairo University and organized by the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Cairo University in cooperation with the Institute of Legal Medicine, Hamburg University, Nov. 2015. **“Gender Based Violence”**.
3. **Secretary General** of the 5<sup>th</sup> Summer School on Domestic Violence held in Faculty of Medicine, Cairo University and organized by the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Cairo University in cooperation with the Institute of Legal Medicine, Hamburg University, Nov. 2014. **“Domestic Violence Prevention”**.

4. **Moderator** of the 9<sup>th</sup> Annual Conference of the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Cairo University, May, 2011. ***“Egyptian Revolution: January, 2011, Forensic View”***.
5. **Coordinator** of the 1<sup>st</sup> Summer School on Domestic Violence held in Cairo and organized by the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Cairo University in cooperation with the Institute of Legal Medicine, Hamburg University, Nov. 2010. ***“Child Abuse: Phenomenon, Prevention & Treatment”***.
6. **Coordinator** of the 8<sup>th</sup> Annual Conference of the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Cairo University, April 2010. ***“Updates in Forensics”***.
7. **Organizer** of the 7<sup>th</sup> Annual Conference of the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Cairo University, May, 2009.
8. **Organizer** of the 12<sup>th</sup> Scientific Conference of the Egyptian Society of Bio-Anthropological Sciences in cooperation with the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine Cairo University, Cairo, Egypt, April, 2002.
9. **Organizer** of the 5<sup>th</sup> Annual Scientific Conference of the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Cairo University, Nov 2001. ***“Medico-legal Aspects of Transportation Accidents”***.

**B-Speaker:**

1. The symposium entitled **“Women's Rights and Bioethical Concerns”** held in Faculty of Medicine, Cairo University and organized by the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Cairo University in cooperation with the Academy of the scientific research and technology and UNESCO on April, 2016. ***Presenting: “Abortion and Bioethical conflicts.”***
2. The 6<sup>th</sup> Summer School on Domestic Violence held in Faculty of Medicine, Cairo University and organized by the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Cairo University in cooperation with the Institute of Legal Medicine, Hamburg University, Nov. 2015. ***Presenting: “Right to life of the feotus”***.

3. The 5<sup>th</sup> Summer School on Domestic Violence held in Faculty of Medicine, Cairo University and organized by the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Cairo University in cooperation with the Institute of Legal Medicine, Hamburg University, Nov. 2014. **Presenting: “Abuse behind the Doors of Institutions”.**
4. The 5<sup>th</sup> Summer School on Domestic Violence held in Faculty of Medicine, Cairo University and organized by the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Cairo University in cooperation with the Institute of Legal Medicine, Hamburg University, Nov. 2014. **Presenting: “Towards Improvement of the Informed Consent Process in Surgical Departments of Cairo University Hospitals”.**
5. The ISIS Orlando International Multidisciplinary Academic Conference, held in Orlando-Florida USA, Aug 2014. **Presenting: “Current Application of Execution within the scope of Human Rights Considerations”.**
6. The 6th meeting of the New Mediterranean Academy of Forensic Sciences (nMAFS), held in Porto Sokhna, Egypt, March 2014. **Presenting: “Currently Applied Methods of Execution in View of Human Rights”.**
7. The 22nd Congress of the International Academy of Legal Medicine (IALM) held in Istanbul, Turkey on July 5-8, 2012. **Presenting: “Chromosomal Aberrations in Operating Room Nurses Exposed To Waste Anesthetic Gases.” And “Medico-legal Significance of Diffuse Axonal Injury(DAI). A Forensic, Histopathological and Immunohistochemical Interpretation.”**
8. The Third Conference of the European Network of Social & Emotional Competence of Children (ENSEC) held in Manchester, UK on 29th June – 3rd July, 2011. **Presenting: “Abusing Female Children by Circumcision is Continuous in Egypt”.**
9. The 9th Annual Conference of the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Cairo University, May, 2011. **Presenting: “Gender and Race Impacts on Finger Prints Recognition System in Egyptians versus Malaysians”.**

10. The 1<sup>st</sup> Summer School on Domestic Violence, organized by the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine Cairo University in cooperation with the Institute of Legal Medicine, Hamburg University, held in Cairo, Nov. 2010. **Presenting: “Abusing Female Children by Circumcision is Continuous in Egypt”**
11. The 2<sup>nd</sup> International Congress of Progenitor Cell Research, June 2010. **Presenting: “Regulatory Guidelines of Stem Cell Based Therapy”.**
12. The 7<sup>th</sup> Annual Conference of the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Cairo University, May, 2009. **Presenting: “Stem Cell Therapy as a Reality through a Moral Road of Ethical Research”.**

**C- Attendant:**

- The Annual International Conference of the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Ain Shams University, entitled **“Substance Abuse: Medicolegal, Clinical and Environmental Aspects”**, March 2015.
- The 1<sup>st</sup> International Conference of Public Health and Community Medicine Department under patronage of World Health Organization (WHO), held in Cairo- Egypt, May 2014.
- The Annual Conference of Faculty of Medicine, Cairo University, April 2014.
- The 6<sup>th</sup> meeting of the New Mediterranean Academy of Forensic Sciences (nMAFS), held in Porto Sokhna, Egypt, March 2014.
- The 4<sup>th</sup> Summer School on Domestic Violence held in Cairo and organized by the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Cairo University in cooperation with the Institute of Legal Medicine, Hamburg University, Nov. 2013. **“Violence, dealing with the phenomenon”.**
- The Annual Conference of Faculty of Medicine, Cairo University, entitled **“Emergency Medicine, Present and Future”** in April 2013.
- The 22<sup>nd</sup> Congress of the International Academy of Legal Medicine (IALM) held in Istanbul, Turkey on July 5-8, 2012.
- Third ENSEC Conference held in Manchester, UK on 29<sup>th</sup> June – 3<sup>rd</sup> July, 2011.

- The 9th Annual Conference of the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Cairo University, May, 2011.
- The 1<sup>st</sup> Summer School on Domestic Violence, organized by the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine Cairo University in cooperation with the Institute of Legal Medicine, Hamburg University, held in Cairo, Nov. 2010.
- The 2<sup>nd</sup> International Congress of Progenitor Cell Research, Cairo University, June 2010.
- The 4<sup>th</sup> International Conference of the Egyptian Forensic Medicine Authority, entitled “**Modern Techniques in Forensic Sciences**”, Cairo in April, 2010.
- The 8<sup>th</sup> Annual Conference of the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Cairo University, April 2010.
- The 10<sup>th</sup> Annual Conference of the department of Radiology, Faculty of Medicine, Cairo University, held in Movenpick Media City Hotel in 6<sup>th</sup> October City, April 2010.
- The 29<sup>th</sup> Annual Conference of the Egyptian Association of Basic Medical Sciences, Faculty of Medicine, Cairo University, March 2010.
- The 26<sup>th</sup> Annual Conference of the Egyptian Association of Basic Medical Sciences, Faculty of Medicine, Cairo University, Feb 2010.
- The 7<sup>th</sup> Annual Conference of the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Cairo University, May, 2009.
- The Annual Conference of Faculty of Medicine, Cairo University, entitled “**Medical Education Reform, Theory & Practice**” in Nov 2008.
- The 6<sup>th</sup> Annual Scientific Conference of the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Cairo University, entitled “**Organ Transplantation,: Medical, Religious & Legal Aspects**”, April 2008.
- The 1<sup>st</sup> Conference of Stem Cell Research Center in Misr University For Science and Technology (MUST) entitled “**Stem Cells: Towards Clinical Applications**”, Dec. 2008.

- The 2<sup>nd</sup> Egyptian International Conference of Medical & Forensic Sciences in collaboration with the Egyptian Society of Forensic Sciences, entitled “***Mass Disasters Preparedness & Management***”, Feb. 2007.
- The 26<sup>th</sup> Annual Scientific Conference of the Egyptian Association of Basic Medical Sciences, Faculty of Medicine, Cairo University, Feb. 2007.
- The 24<sup>th</sup> Annual Scientific Conference of the Egyptian Association of Basic Medical Sciences, Faculty of Medicine, Cairo University, April 2006.
- The Congress of Pan-Arab League of Continuous Medical Education in collaboration with The Charity Scientific Society of Intensive Care Patients entitled “***Medical Malpractice***”. Cairo, Egypt, March, 2006.
- The 5<sup>th</sup> Pan-Arab Conference for Updating Medical Knowledge of Gynecology-Obstetrics-Infertility. Cairo, Egypt, March, 2006.
- The Egyptian International Congress of Medical and Forensic Sciences in collaboration with The Egyptian Society of Forensic Sciences. Cairo, Egypt, February 2006.
- The 5<sup>th</sup> International Conference of Egyptian Medical Society for Detox. And Environmental Diseases entitled “***Role of Medicine, Law & Media in Combating Toxins & Environmental Pollution***”. Cairo, Egypt, January, 2006.
- The 27<sup>th</sup> Annual Congress of The Egyptian Society of Hematology in collaboration with The Egyptian Association of Transfusion Medicine, Cairo, Egypt, Dec. 2005.
- The 15<sup>th</sup> Scientific Conference of the Egyptian Society of Bio-Anthropological Sciences, Cairo, Egypt, Nov. 2005.
- The 24<sup>th</sup> Scientific Conference of the Egyptian Association of Basic Medical Sciences, Faculty of Medicine, Cairo University, April 2005.
- The 3<sup>rd</sup> Annual Scientific Conference of Beni-Suef Faculty of Medicine, Cairo University entitled “***Clinical Application of Molecular Biology***”, Cairo, Egypt, March 2005.
- The 1<sup>st</sup> Annual Family Medicine Conference entitled “***The Role of Family Physician In The Care Of The Elderly***”, Cairo, Egypt, March 2005.

- The 6<sup>th</sup> Scientific Conference of Faculty of Medicine, Cairo University (Beni-Suef Branch) and Fredreich Naumann German Foundation entitled “*Medical Care in Egypt*”, March 2005.
- The 3<sup>rd</sup> International Conference of Medical Sciences entitled “*Contemporary Researches on Health Problems*”, National Research Center, Dec. 2004
- The 8<sup>th</sup> International Conference on Islamic Code for Medical and Health Ethics. Islamic Organization for Medical Sciences, Kuwait in collaboration with WHO (EMRO), ISESCO, CIOMS and Ajman Net. , Dec. 2004
- The 6<sup>th</sup> Arabic Conference of Prevention of Substance Abuse. The Arab Federation of NGOs for Prevention of Substance Abuse (AFNDA), in cooperation with The Egyptian Union of NGOs for Prevention of Substance Abuse (EUNSA) & The Kuwait Association for Prevention of Smoking and Cancer. Nov, 2004.
- The 5<sup>th</sup> Meeting of Faculty of Medicine (Beni-Suef Branch), Cairo University in cooperation with Fredreich Naumann German Foundation entitled “*The Role of Workers in Medical Field*”, April 2004.
- The 1<sup>st</sup> Congress of Pan-Arab Forensic Doctors & the 3<sup>rd</sup> Congress of Syrian Society of Legal Medicine in cooperation with The German Society of Legal Medicine, Al-Assad University, Damascus, Syria. April 2004.
- The 14<sup>th</sup> Annual Scientific Conference of the Egyptian Society of Bio-Anthropological Sciences, Cairo, Egypt. April, 2004.
- The 23<sup>rd</sup> Annual Scientific Conference of the Egyptian Association of Basic Medical Sciences, Faculty of Medicine, Cairo University, April 2004.
- The 22<sup>nd</sup> Annual Scientific Conference of the Egyptian Association of Basic Medical Sciences, Faculty of Medicine, Cairo University, April 2003.
- The 12<sup>th</sup> Annual Scientific Conference of the Egyptian Society of Bio-Anthropological Sciences in cooperation with Forensic Medicine and Toxicology Department, Faculty of Medicine Cairo University entitled “*Forensic Medical Anthropology*”, Cairo, Egypt. April, 2002.

- The 5<sup>th</sup> Annual Scientific Conference of Forensic Medicine and Toxicology Department, Faculty of Medicine, Cairo University, entitled “*Medicolegal Aspects of Transportation Accidents*”, Nov. 2001.

- **Special Training Courses:**

- **Healthcare Quality Management**(Professional training course) at Kasr Alainy Hospitals, Faculty of Medicine, Cairo Univ., March to June 2014.
- Workshop on **Forensic DNA-Typing**, held in human genome center in Kasr Alainy medical school, and organized by the Forensic Medicine and Clinical Toxicology Department, Faculty of Medicine, Cairo University in cooperation with the Institute of Legal Medicine, Hamburg University, Nov. 2013.
- Workshop on **Biomedical Statistics** (18 hours), Faculty of Medicine, Cairo Univ., May 2013.
- International Meeting on: “*Shedding Light on a Dark Practice.*” Medico-legal Documentation of Torture. May, 2011.
- Workshop on DNA (10 hours CME), Nov 2010.
- Training Course on “*International Publishing of Research*”, From the Faculty and Leadership Development Center, Oct 2010.
- Training Course on “*Time and Conference Management*”, From the Faculty and Leadership Development Center, Oct 2010.
- Training Course on “*Use of Technology in Teaching*”, From the Faculty and Leadership Development Center, Oct 2010.
- Training Course on “*How to Compete for a Research Fund?*” From the Faculty and Leadership Development Center, Sept. 2010.
- Workshop on the: “*Effective Investigation and Documentation of Torture and other Forms of Ill Treatment*”, Ain Sokhna , June 2010.
- Training Course on “*University Management*”, From the Faculty and Leadership Development Center, May 2010.
- Training Course on “*Financial and Legal Aspects in University Affairs*”, From the Faculty and Leadership Development Center, May 2010.
- Scientific Program of the National Egyptian Center of Clinical & Environmental Toxicological Research (NECTR), entitled

***“Together for the Protection of the Liver against Poisons and Viruses”*** Feb. 2010.

- Work Shop on ***Medical Educational Development***, in collaboration with Sheffield University of England at Faculty of Medicine, Cairo University, June 2009.
