## Experimental and Clinical Transplantation

Journal Abbreviation: EXP CLIN TRANSPLANT

Journal ISSN: 1304-0855

### About Experimental and Clinical Transplantation

The journal of The Experimental and Clinical Transplantation (ECT) is the official journal of the Middle East Society for Organ Transplantation (MESOT). The Society was originally founded in Turkey in 1987, and was subsequently incorporated at Bern, Switzerland, in 1988 as a non-profit, international, scientific organization comprising 20 countries of the Middle East, North Africa, Midmid-Asia, and neighboring nations. The aim of the journal is to provides a medium forum for where clinical scientists, basic scientists, ethicists, and public health professionals to communicate ideas and advancements advances in the field of experimental and clinical organ and tissue transplantation, and to discuss related social and ethical issues.

### Indexed International Journal - High Impact factor Journal
