

**Post-Graduate Program**  
**Fundamentals of Technical Writing (GEN 600)**  
Electronics and Electrical Communications Engineering Department  
Spring 2019  
**Assignment no. 1**

**DUE DATE: THURSDAY MARCH 28, 2019**

**Question (Thesis Formatting)**

Use your preferred word processing tool to rewrite [1] in the **Cairo University - Faculty of Engineering Thesis Format**.

You are required to:

- Write from the beginning of the document to the end of Section II in addition to the reference list.
- Reproduce the equations
- Rewrite the reference list using the following three methods:
  - The author-date method
  - The alphabetical-order method
  - The order-of-appearance method

You have to edit the citations in text according to each reference style, i.e. you submit three copies of the reproduced manuscript, each with a different referencing style.

**A. Deliverables**

By the due date, submit ONE .zip file including the source files you used (MS Office, LaTeX, etc...), any secondary files, as well as the final .pdf file for each referencing style.

**Submit** your answers in a single .pdf file at:

<https://goo.gl/forms/uUElIPliUlgJ6alE3>
