Alexandria, 16 March 2022

Professor Sherein Saeid Abdelgayed  
Professor of Veterinary Pathology  
Cairo University  
Cairo  
Egypt

Dear Prof. Abdelgayed,

I would like to express our sincere appreciation for your invaluable support to the Joint ASRT-BA Research Grants since the first round of researchers in 2019 until date. The Joint ASRT-BA is a funded project by the Academy of Scientific Research and Technology (ASRT) and managed by Bibliotheca Alexandrina (BA) through the Center for Special Studies and Programs (CSSP). This program seeks generating creative and innovative applied research in the fields of Food & Agricultural Sciences, Medical Sciences, Environment, and Engineering Sciences and Technologies. It also aims at bridging the gap between society needs and research, placing innovation into practice, and supporting **Egyptian** and **African** researchers.

Due to your efforts, we have managed to successfully select the ASRT-BA Research Grants first call winners.

Once again thank you for your support.

Sincerely,

Dr. Marwa Elwakil  
Head  
Academic Research Sector  
Bibliotheca Alexandrina
