CONFERENCE VENUE

Physics Department, Faculty of science, Menoufia University will organize the 1st International Conference on Material Science and Applications (ICMSA 2019) that will be held on September 10 -12, 2019 in 4 stars hotel, Sharm El-Shaeikh. Sharm El- Sheikh is an Egyptian city on the southern tip of the Sinai Peninsula, in South Sinai Governorate, on the coastal strip along the Red Sea. Sharm El- Sheikh is the administrative hub of Egypt's South Sinai Governorate, which includes the smaller coastal towns of Dahab and Nuweiba as well as the mountainous interior, St. Catherine and Mount Sinai. The city and holiday resort is a significant center for tourism in Egypt, while also attracting many international conferences and diplomatic meetings.

Objective: The ICMSA (2019) conference aims to promote research in material science. It is an opportunity to exchange experiences and present research results in the fields of theoretical, experimental, and applied physics and engineering. It will give the opportunity for the international material science community to meet in Egypt for scientific and technological exchanges. Also, it will be a link between institutions of higher education and industries to share their creative ideas and products that can be commercialized.

Topics:

Semiconductor materials

Glasses and Polymers

Magnetic Materials

Metals and Alloys

Nanoscience and Nanotechnology

Optical and Dielectric Materials

Plastics Ceramics and Composites

Superconductors

Thin Films

Biomedical materials

Laser and Optoelectronics

Radiation Shielding, Energy Conversion Technology, Solar Energy, Luminescences

Theory, Simulation, Modeling and Other Related Areas.

Earth Materials

Conference Chairs:

Conference Chair: Prof. Magdy Abo Ghazala

Conference Vice-Chair: Prof. Raouf El Malowany

Organizing Committee Chair: Prof. Ibrahim Hagar

Organizing Committee Co-Chair: Prof. Lobna Sharf Eldeen

Scientific Committee Chair: Prof. Mohamed El -Zaidia

Scientific Committee Co-Chair: Prof. A. H. Khafagy

Conference Secretary General: Dr. Yasser Rammah

Technical Program Chair: Dr. Hosam Awad
