EDUCATION

1999	Ph.D., in Entomology, Faculty of Science, Cairo University.
1996	M.Sc., in Entomology, Faculty of Science, Cairo University.
1990	B.Sc., in Entomology, Faculty of Science, Cairo University.
1986	General Secondary school certificate.

PROFESSIONAL EMPLOYMENT

2009 to present	Professor of biological control, Department of Entomology, Faculty of Science, Cairo University.
2004 to 2009	Assistant professor, Department of Entomology, Faculty of Science, Cairo University.
1999 to 2004	Lecturer, Department of Entomology, Faculty of Science, Cairo University.
1996 to 1999	Assistant lecturer, Department of Entomology, Faculty of Science, Cairo University.
1990 to 1996	Demonstrator, Department of Entomology, Faculty of Science, Cairo University.

ACTIVITIES

FIELDS OF INTEREST	- Insect relations - Insects in the ecosystems -Insects biodiversity - Parasitoids and predators - Microbial control - Insect Control (Biological Control) - Control of freshwater snails by aquatic insects.
TEACHING EXPERIENCE	<u>Undergraduate courses:</u> -Biological Control, Integrated pest management. -Invertebrates – Ecology - Insect transmission of Plant diseases

	<ul style="list-style-type: none"> - Insect Pathology - General Entomology. -Insect Ecology - Insect Physiology - Parasitology. -Economic Entomology. <p>Postgraduate courses</p> <ul style="list-style-type: none"> <input type="checkbox"/> Biological Control <input type="checkbox"/> Biotechnology and pest control. <input type="checkbox"/> Microbial Control. <input type="checkbox"/> Integrated Pest Management.
SCIENTIFIC SOCIETIES	<ul style="list-style-type: none"> -Membership in professional societies: * Entomological Society of Egypt *Egyptian – Germany Society of Zoology *Egyptian Society of Biological Control of Pests
LINGUISTIC CAPABILITIES	Arabic – English
