

## **Reem Ibrahim Mohamed El-Korashy**

**Address: Giza, EGYPT**

**Phone: +201122299919**

**E-mail: [rimkorashy@yahoo.com](mailto:rimkorashy@yahoo.com)**

**[rimkorashy@cu.edu.eg](mailto:rimkorashy@cu.edu.eg)**

### **Education and qualifications:**

- Received Medical doctorate degree in Chest Medicine from Faculty of Medicine, Cairo University, in February 2008.
- Received Master degree in Chest Medicine from the Faculty of Medicine, Cairo University, in May 2004.
- Faculty of Medicine, Cairo University (1993-1999).
- La Rose De Liseux English language school (1979- 1992).

### **Work Experience:**

#### **• Principles Positions Held:**

- Worked as Administrator of the Chest and RICU Units at Manial Specialized Hospital.(July 2008 - May 2010)

#### **• Working as Consultant of Chest Medicine in:**

- Manial Specialized Hospital. (March 2008 – Till Now)
- New KasrElAini Teaching Hospital.(March 2008 – Till Now).

#### **• Academic Appointments:**

- Working as Assistant Professor of Chest Medicine in Chest Department, Faculty of Medicine, Cairo University (April 2014 - Till Now).
- Worked as Lecturer of Chest Medicine in Chest Department, Faculty of Medicine, Cairo University (April 2008 - April 2014).
  - Responsibilities of a lecturer in Cairo University:
    - # performing clinical rounds in the department with the assistant lecturer, the resident and House officers twice a week.
    - # Participation in performing interventions needed for the patients, namely fiberoptic

bronchoscopy and medical thoracoscopy.

# Undergraduate/post graduate clinical teaching classes.

# Post graduate Lectures.

# Working in the Pulmonary Vascular Unit (performing Swan Ganz catheterization and approach to patients with pulmonary hypertension).

# Working in the pleural research unit.

• **Professional Experience:**

- Worked as Clinical Demonstrator of Chest Medicine in Chest Department, Faculty of Medicine, Cairo University (October 2004 to June 2005).

▪ During this period:

# I was Trained on Fiberoptic bronchoscopy under the supervision of Professor AbdEl Hakim Mahmoud MD, FCCP, Professor of Chest Medicine and the founder of the Fiberoptic Bronchoscopy Unit in Cairo University.

# I was Trained on performing pulmonary functions in the pulmonary function unit under the supervision of Professor MaysaSharaf-El Din MD, FCCP, Professor of Chest Medicine, and Head of the pulmonary function unit.

# I attended at the Respiratory Intensive care unit (RICU) twice weekly.

- Worked as Resident of Chest Medicine in Chest Department, Kasr El-Ainy Hospital, Faculty of Medicine, and Cairo University (March 2001 –March 2004).

▪ During this period:

(I spent six months in respiratory intensive care unit (RICU) under the supervision of Professor Medhat Abdel-KhalikSoliman, MD, FCCP, Professor of Chest Medicine, and Head of Respiratory Intensive Care Unit, Kasr El-Ainy hospital, Cairo University)

- Worked as House officer at Faculty of Medicine, Cairo University from (March 2000 –February 2001).

- Translated publications of Dorling Kindersley Limited Company through Nahdet Misr for publication:

- Original title "Eyewitness Guides:"Medicine".

- Human Body

- Herbal Medicine

- Received a training course in Pulmonary Hypertension in University of Bologna, under the supervision of prof. Nazzareno Galie, Italy in 2016.

- Received a training course in pulmonary vascular diseases with affiliation to European Respiratory Society in Lausanne, Switzerland, May 2018

### **Skill Base:**

#### **Medical Skills:**

- Extensive experience in fiber-optic bronchoscopy and its interventions (BAL, TBLB, TBNA, Bronchial brushing, argon plasma coagulation)
- Extensive experience in pleural aspiration
- Extensive experience in medical thoracoscopy
- Extensive experience in Right heart catheterization
- ICU skills: such as inserting ETT, central lines, ICT, managing patients on MV.
- ICDL.
- Languages: Arabic (Fluent), English (Excellent), Spanish (Basic Knowledge), and French (Basic Knowledge)

#### **Memberships:**

American Thoracic Society

European Respiratory Society

Egyptian society of Chest Diseases and Tuberculosis

Egyptian society of Respiratory system and Allergy

#### **Conferences (attended and participations):**

- 8<sup>th</sup> Pulmonary Medicine update course, held in New Kasr Al-Aini Teaching Hospital.
- Interdisciplinary training course “Intervention Bronchoscopy & Thoracoscopy “The Egyptian society of respiratory system and allergy, and University of Heidelberg, Germany”, held in Cairo University, 2008.
- The Annual meeting of Chest department, Cairo University in Collaboration with the American College of Chest physicians “Update of Pulmonary Medicine”, held in Cairo University 2008.
- 9<sup>th</sup> Pulmonary Medicine Update Course, held in New Kasr Al-Aini Teaching Hospital, 2009.
- The 51<sup>st</sup> International Congress of the Egyptian Society of Chest Diseases and Tuberculosis, (Pan Arab Respiratory Meeting), held in Cairo 2009.
- 10<sup>th</sup> Pulmonary Medicine Update course, Respiratory Care Unit, held in New KasrElAini

Teaching Hospital, 2010.

- The third joint Pulmonary Hypertension Assembly Saudi Association of Pulmonary Hypertension and Pulmonary Vascular Research Institute (SAPH/PVRI), held in Sharm El-Sheikh, Egypt, April 2010 .
- The European respiratory society congress, held in Barcelone, Spain, September 2010.
- 2<sup>nd</sup> Middle East and Africa Pulmonary Hypertension Forum. Scientific symposium, held in Dubai, UAE, 2011.
- Recent advances in Pulmonary Medicine Conference; Egyptian Society of respiratory System and Allergy, 2011.
- American Thoracic Society congress, held in Philadelphia, USA, May 2013.
- The 54<sup>th</sup> International Congress of the Egyptian Society of Chest Diseases and Tuberculosis, Cairo, Egypt, 2013.
- The Annual Conference of Chest diseases Department, Cairo University, December 2013.
- American Thoracic Society congress, held in San Diaego, USA, May 2014.
- The 55<sup>th</sup> International Congress of the Egyptian Society of Chest Diseases and Tuberculosis, Cairo, Egypt, 2014
- American Thoracic Society congress, held in Denever, USA, May 2015.
- The 56<sup>th</sup> International Congress of the Egyptian Society of Chest Diseases and Tuberculosis, Cairo, Egypt, 2015
- MENA annual meeting for Pulmonary Hypertension, Morroco, 2015.
- PH future meeting in Abou Dabi , 2015
- American Thoracic Society congress, held in San Francisco, USA, May 2016.
- The 57<sup>th</sup> International Congress of the Egyptian Society of Chest Diseases and Tuberculosis, Cairo, Egypt, 2016
- MENA annual meeting for Pulmonary Hypertension, Dubia, 2016
- MENA annual meeting for Pulmonary Hypertension, Mascat, 2017
- MENA annual meeting for Pulmonary Hypertension, Dubia, 2018

**Visiting Professorships/Invited Lectures:**

- 51th International Congress of the Egyptian Society of Chest Diseases and Tuberculosis, (Pan Arab Respiratory Meeting), 2009 “DNA index as a diagnostic tool of pleural effusion”
- The Annual conference of Chest department, Al Azhar university, Cairo, Egypt, November 2012“Pulmonary Hypertension, where are we?”
- The Annual Conference of Chest diseases Department, Cairo University, 2013 “A case presentation of Bilharzial pulmonary hypertension”
- American Thoracic Society congress, Philadelphia2013“Study of the relation of erythropoietin and chronic obstructive pulmonary disease”
- 13<sup>rd</sup> annualRegional annual assembly of the Egyptian Scientific Society of Bronchology, 2014."Acute exacerbation of IPF"
- The Annual conference of Chest department, Al Azhar university, Cairo, Egypt, November 2014.  
"Right Heart Catheterization"
- Workshop of the granulomatous lung disease: " Pulmonary updates:  
"Management of granulomatous lung diseases in HCV patients"
- The Annual meeting, 2015 of the Egyptian Society of Chest diseases and Allergy  
"Updates in Pulmonary Alveolar Protienosis"
- The Annual conference of Chest department, Al Azhar University, Cairo, Egypt, November 2015.  
"Pulmonary Hypertension in Elderly, is it a different Disease"
- First Pulmonary Hypertension Meeting of Pulmonary Vascular Research Unit, Kasr AlAini, 2016.  
“Diagnostic approach to PH”
- Interstitial Lung Diseases workshop, the annual scientific conference of Kasr ALAini, chest department, 2017 “Management of PH associated ILD”
- The Annual Meeting of ESCA, updates in Chest Medicine,, Alex, 2017 “ CTEPH, where do we go wrong”
- Pulmonary Hypertension workshop, Clinical Approach, 2017 “Echocardiography from the pulmonologist point of view”
- The Annual Meeting of Chest Department, Asuit University, Hurgada , Management of Pulmonary Hypertension associated ILD, 2017.

### **Supervised MSC/MD student thesis:**

- Relation between serum Adiponectin and severity of chronic obstructive pulmonary disease.
  - Evaluation of right ventricular dysfunction in adult asthmatic patients by tissue Doppler echocardiography.
  - Role of Quantiferon TB Gold in the diagnosis of Latent tuberculous infection in diabetics.
  - Role of fiberoptic bronchoscopy in the diagnosis of pulmonary infiltrates in patients with hematological malignancies.
  - Role of stem cells therapy in the treatment of idiopathic interstitial pulmonary fibrosis.
  - Evaluation of glutathione S transferase as a risk factor for lung cancer in smokers
  - Assessment of the gross anatomical derangement in the pleural space in patients with pleural effusion.
  - Study the cognitive dysfunction in patients with major idiopathic interstitial pneumonias and its possible etiology.
  - Functional evaluation of interstitial affection in scleroderma patients.
  - Role of acapella device in COPD exacerbation .
  - Risk of XRCC1 gene polymorphism for developing bronchogenic carcinoma in Egypt.
-
