

**Hashim Mohamed Mohamed Abd El -Lattif**

**11 Badr Elden Alwenaay st., El Saida Asha, Al Khalefa, Cairo , Egypt.**

**Phone: + (202) 506– 8832, Cellular phone: + (0102) 223 – 3869**

**E-mail: hashim17383@ymail.com.**

**Objective:**

Seeking an Associate professor and professor from Cairo University.

**Professional summary:**

- 14 years of experience within scientific research in the field of Agronomy.
- Strong ability to teach and train students.

**Experience:**

**-Research:**

- Investigating several aspects related to barley, wheat, corn, cotton and other crops.

**- Scientific writing:**

- Writing theses and scientific papers: Wrote master, PhD Thesis and three paper.
- Designing scientific posters: Designed several posters.

**Training:**

- Ten Work shops in Quality Assurance and Accreditation Center (2003-2014):
- Computer Work Shop (MUCIA), Faculty of Agriculture, Cairo Univ., June 10-13, 2007.
- The statistical analysis and experimental design in biological and agricultural science, The Institute of Statistical Studies and Research, 2009.
- The International Computer Deriving License (ICDL) 2009.

**Employment history:**

- Lecturer: 2014 - present
- Assistant lecturer: 2007 - 2014
- Instructor: 2002 - 2007

**Education:**

- Ph.D of Science Agronomy, Cairo University, Giza, Egypt, 2014.
- Master of Science Agronomy, Cairo University, Giza, Egypt, 2007.
- Bachelor of Science Agronomy, Cairo University, Giza, Egypt, 2001.

**Skills:****- Scientific and research skills:**

- Basic techniques of Genetic analysis and plant breeding.
- Basic and advanced techniques of data analysis (ie. MSTATC, SPSS, MS-Excel, Assistat, Genstat, Openstat and Minitab).

**Computer skills:**

- Perfect working knowledge of MS windows, MS word, MS Excel, MS Access and MS power point.
- Internet research skills.
- MSTATC, SPSS, MS-Excel, Assistat, Genstat, Openstat analysis program and Minitab analysis program .

**Skills:**

- Perfect command of spoken Arabic Language.
- Basic Knowledge of spoken and written English.

**Workshops and Conferences:**

- The fifth Conference of Plant Breeding, Giza, Egypt (2007).
- First Field Crops Research Inst. (FCRI) Conference on the role of FCRI in securing sustainable agricultural development held at Giza, Egypt (2006).

- First International Conference on Scientific Researches and their Applications. Cairo Univ. Giza, Egypt (2004).
- The third of Plant Breeding, Giza, Egypt (2003).

**Awards:**

- Winner of the best research proposal offered to Fac. of Agric., Cairo University in Agronomy Department during (2007).

**List of Publications:**

- **El-Kadi, D. A.; Shrief S. A.; and Abdel Lattif H. M. (2007)** Yield stability of some barley genotypes. ). J. Agric. Sci. Mansoura Univ., 54 (1): 1-13.
- **El-Kadi, D. A.; Abd El-Mohsen, A. A. and Abdel Lattif H. M. (2014)** The relative contribution of yield components as estimated by different statistical methods in Egyptian cotton (*Gossypium barbadense* L.). Egypt. J. Plant Breed., 18 (1): 1 - 28.

-

**Personal data:**

- Date of birth: March 23, 1980.
- Nationality: Egyptian.
- Marital status: Married.
