- Quinzy drainage.
- Removal of inhaled or ingested foreign body.
- Tracheostomy.

## **B- Patients seen:**

- **Ear:** patients with:

- Wax. – Otitis media. – Otitis externa. – Tumors.
- Congenital diseases. –Secretory otitis media.
- Foreign body. –Perforated ear drum either pathological or traumatic. –Conductive hearing loss with various etiologies. –Sensorineural hearing loss especially presbycusis and ototoxicity. – Glomus tumor, acoustic neuroma and squamous cell carcinoma. –Auricular hematoma and abscess. –Deformed auricles. –Bleeding per ear. –Deaf mute. –Facial nerve palsy.
- Complications of otitis media as mastoiditis and lateral sinus thrombophlebitis.

- **Nose:** Patients with:

- Foreign body. –allergic rhinitis. – Vasomotor rhinitis. –Septal deviation, abscess, hematoma, perforation. –Hypertrophied turbinates. –Allergic polypi and antrochoanal polyp.
- Nasal masses and hematomas. –Choanal atresia. –Atrophic rhinitis. –Rhinoscleroma. –Sinusitis. –Furuncle and common cold. –Influenza patients. –CSF leak. – Mucocoeles. –Dental and nasolabial fold cysts. –Adhesions and contact headache.
- Neuralgias. –Deformed nose. –Fibro osseous lesions.

- **Throat and head and neck:** Patients with:

- Adenotonsillitis. –Snoring and sleep apnea.
- Tonsillar and tongue masses. –Tongue tie. –Palatal masses. – Laryngeal polyps, nodules, leukoplakia, tumors and single and multiple papillomatosis. –Neck masses. – Thyroid swellings and submandibular swellings. –Thyro glossal cysts. –Sub glottis stenosis. – Trauma to the larynx. –Stridor. –Prolonged intubation. –Vocal cord paralysis. –Inhaled or ingested foreign body. –Parotid masses.

*Relative and important  
courses attended*

## **5- Relative and important courses attended:**

- 3<sup>rd</sup> ENT refreshment course, Department of Ear, nose and throat, Kasr Al Aini hospital, Faculty of Medicine, Cairo University, (Attendance and participation): 19-21, March, 2013.
- 31<sup>st</sup> Workshop on basic endoscopic sinus surgery , Department of Ear, nose and throat, Kasr Al aini hospital, Faculty of Medicine, Cairo University, (Attendance and hands-on participation): 12- 16 March, 2013, **(24 credit hours CME).**
- Audiology and Phoniatics Orientation course for ENT physicians, Department of Ear, nose and throat, Kasr Al Aini hospital, Faculty of Medicine, Cairo University, (Attendance and participation):\_19<sup>th</sup> and 20<sup>th</sup> December, 2012.
- ENT Laser Course,\_Department of Ear, nose and throat, Kasr Al Aini hospital, Faculty of Medicine, Cairo University, (Attendance and participation):\_17<sup>th</sup> and 18<sup>th</sup> November, 2012.
- 2<sup>nd</sup> ENT Radiology Course,\_Department of Ear, nose and throat, Kasr Al Aini hospital, Faculty of Medicine, Cairo University, (Attendance and participation):\_10<sup>th</sup> and 11<sup>th</sup> November, 2012.
- Egyptian ORL Society 6<sup>th</sup> Head and Neck Meeting, (Attendance and active participation), 6<sup>th</sup> June, 2012.
- 2<sup>nd</sup> Workshop On Advanced Endoscopic Sinus Surgery, Department of Ear, nose and throat, Kasr Al aini hospital, Faculty of Medicine, Cairo University, (Attendance and hands-on participation): 3-6, January, 2012, **(24 credit hours CME).**

- 1<sup>st</sup> Annual Meeting of Arab Society of Allergy, Asthma and Clinical Immunology, Updates in allergy and clinical immunology in collaboration with Al Azhar University Allergy and Immunology Center. (Attendance and active participation), 22-24, December, 2011.
- 28<sup>th</sup> Basic Workshop on Endoscopic Sinus Surgery, Department of Ear, nose and throat, Kasr Al aini hospital, Faculty of Medicine, Cairo University, (Attendance and hands-on participation): 11-15, October, 2011, **(24 credit hours CME)**.
- The Annual Meeting of ENT department, Department of Ear, nose and throat, Kasr Al Aini hospital, Faculty of Medicine, Cairo University, (Attendance): 18<sup>th</sup> of April, 2008.
- 22<sup>nd</sup> Workshop on Endoscopic Sinus Surgery, Department of Ear, nose and throat, Kasr Al aini hospital, Faculty of Medicine, Cairo University, (Attendance and hands-on participation): 24-29 March, 2008, **(24 credit hours CME)**.
- 6<sup>th</sup> International ENT Conference, Department of Ear, nose and throat, Kasr Al aini hospital, Faculty of Medicine, Cairo University, (Attendance and hands-on participation): 21-23 March, 2007.
- 16<sup>th</sup> Workshop on Endoscopic Sinus Surgery, Department of Ear, nose and throat, Kasr Al aini hospital, Faculty of Medicine, Cairo University, (Attendance and hands-on participation): 1-5, March, 2005.
- 3<sup>rd</sup> Annual Scientific Conference of the ENT Department, Department of Ear, nose and throat, Kasr Al aini hospital, Faculty of Medicine, Cairo University, (Attendance and hands-on participation): 4-5, March, 2004.

*Other educational/  
professional activities*

## **8- Teaching experience:**

- A- Lecturer of otorhinolaryngology for undergraduate students in Kasr Al Aini teaching hospital.
- B- Lecturer of otorhinolaryngology for post graduate candidates in Kasr Al Aini teaching hospital.
- C- Certified trainer and lecturer of otorhinolaryngology for the Egyptian fellowship post graduate students.
- D- Lecturer of otorhinolaryngology for undergraduate students of MSA University in Egypt.
- E- Lecturer of otorhinolaryngology for the post graduate family medicine doctors in the National Training Institute (NTI).
- F- Lecturer of otorhinolaryngology for the under graduate nurses in nursing school- Kasr Al Aini teaching hospital.
- G- Lecturer of otorhinolaryngology emergencies for the sixth year under graduate students and house officers in Kasr Al Aini teaching hospital.
