- MD thesis on **‘Evaluation of CYP1B1 gene mutation as a prognostic factor in the surgical management of Congenital Glaucoma patients’** under Supervision of Prof. Dr. Hala El-Helali, Professor of Ophthalmology, Cairo University.
- Khafagy MM, Schordert D F, and Abouzeid H. **‘A novel COL2A1 nonsense mutation causes Stickler syndrome type I’**. Invest Ophthalmol Vis Sci. 2013; 54: ARVO E-Abstract 1338.

Courses and Certificates

Course Topic	Institution and Venue	Date
Effective Presentation Skills	FLDC –Cairo University	May 2008
International research publication	FLDC –Cairo University	May 2008
Time and Conference Management	FLDC –Cairo University	June 2008
Student Evaluation Systems	FLDC –Cairo University	June 2008
Basic Infection Control Training Modules	GDDRP, NAMRU-3 -Cairo University	December 2011
Statistical Data Analysis Using SPSS	Institute of Statistical Studies – Cairo University	January 2012
Quality Standards in Teaching	FLDC –Cairo University	October 2012
E-Learning	FLDC –Cairo University	October 2012
Competing for research funds	FLDC –Cairo University	October 2012
Managing Research Teams	FLDC –Cairo University	October 2012
Communication Skills	FLDC –Cairo University	October 2012
Use of Technology in Teaching	FLDC –Cairo University	October 2012

Legal and Financial Aspects in University Environment	FLDC –Cairo University	November 2012
Academic TOEFL Examination (Score 660)	Center for Foreign Languages –Cairo University	November 2012
Research Ethics	FLDC –Cairo University	December 2012
Advanced Statistical Data Analysis Using SPSS	Institute of Statistical Studies – Cairo University	February 2013
