

## **Personal Data:**

**Name: Sherif Ahmad Mostafa Eissa.**

**Date of birth: 22/02/1979**

**Place of birth: Cairo, Egypt.**

**Nationality: Egyptian.**

**Gender: Male.**

**Social status: Married with two daughters and a son.**

**Home address: 4 Abdul Aziz Aldrini street, Manial, Cairo.**

**Eissa Eye Clinic:7 Al Roda street, Manial, Cairo.**

**Email address : drsjesus3@hotmail.com.**

**Phone No. (Home) :+( 202)23626500.**

**Mobile No.: 00201009176594 .**

## **Certificates :**

- **10/2015: Certificate of experience as Consultant and head of department of cornea and refractive surgery in MAGRABI Aseer hospital from 1/6/12 till 1/10/15.**
- **6/2011: Fellow of the royal college of physicians & surgeons (Glasgow); passed part III in Amman 5/2011 .**
- **8/2010: M.D. of Ophthalmology, fulfilled with a thesis subject of “Half top hat penetrating keratoplasty”; discussed in 15/8/2010.**
- **11/2009:Fellow of Mahatme eye hospital-Nagpur –India.**
- **2007: International council of ophthalmology (clinical science).**
- **2007: Masters degree of Ophthalmology with a total degree of very good, fulfilled with an essay subject of “Role of OCT in diagnosis & follow up of choroidal neovascularization”.**
- **2006: 2<sup>nd</sup> part of Masters in Ophthalmology, with a degree of *very good* , Cairo University .**
- **2005: 1<sup>st</sup> Part Of Masters in Ophthalmology with degree of *very good*, Cairo University .**
- **2002: M.B, BCh in Medicine ,Faculty Of Medicine, Cairo University, with a degree of *excellence*, Cairo University, Rank: “3”**

## **Career Related Experience:**

- **3/1/2016 –Ongoing : Lecturer Ophthalmology and Consultant Cornea & refractive surgery at Cairo University hospital.**
- **1/6/2012-1/10/2015: Head of cornea and refractive surgery unit- Magrabi Aseer hospital.**
- **9/2014:Member of European society of cataract and refractive surgery( ESCRS).**
- **4/2015:Member of American society of refractive surgery(ASCRS).**
- **11/2010: Lecturer of Ophthalmology , Cairo university.**
- **8/2010: Discussion of M.D. thesis.**
- **1/2010 : Passed M.D. exams, Cairo university.**
- **12/2009: Fellow of Mahatme eye bank eye hospital (Nagpur- India) in phacoemulsification.**
- **2009-2011: Member of Cairo university eye bank (CUEB).**
- **2008: Assistant lecturer in Ophthalmology Department, Cairo University.**
- **2007-2011: Surgical assistant in ocular oncology , pediatric retina , LASIK, , keratoplasty (Eye & laser World hospital ).**
- **2007: Specialist in Dar eloyoon Hospitals.**
- **2004-2007: Resident in Ophthalmology Department , ocular emergency, pediatric ophthalmology , Kasr El Aini Hospital.**
- **2004: Member of the Egyptian Ophthalmological Society.**
- **2003 : House officer in Ophthalmology, Kasr El Aini Hospital.**

## Licensure

Consultant in Ophthalmology, Egypt, since 8/2013.  
Certificate Issued 10/2015

## Surgical experience:

**Corneal transplantation  
PKP (250 cases) ,DALK(120 cases).**

**Lasik , PRK , FemtoLasik refractive surgeries  
Over 3000 eyes**

**Corneal ring segments implantation for keratoconus.  
(215 eyes)**

**Phacoemulsification.**

**(1500 cases)**

**Dacryocystorhinostomy (lacrimal system surgery).**

**(53 cases)**

**Ptosis surgery and Blepharoplasty**

**Enucleation and eye ball implantation**

**Emergency repair of rupture globe**

**Repair of corneal perforations with scleral patch graft  
and conjunctival flaps.**

**Pterygium excision with conjunctival graft.**

**Pars plana vitrectomy for complicated cataract surgeries**

**Screening of prematures with treatment of retinopathy  
of prematurity with diode Laser photocoagulation.**

**Management of diabetic retinopathy.**

## **Research**

- **M.Sc essay: Role of OCT in diagnosis and follow up of  
choroidal neovascularization, fulfilled 2007 , Cairo  
University, Egypt**
- **M.D. thesis :‘Half top hat penetrating keratoplasty’  
running 2008. Cairo University, Egypt.**

- **Socioeconomic impact on Egyptian glaucoma patients ,  
Daly et al , *Br J Ophthalmol* 2007;91:1274-  
1275 .(Acknowledgment)**

- POS-2616 - Mini patch graft for eccentric corneal perforation with iris prolapse: a new surgical protocol**
- POS-2817 - Presentation and management of keratoconus in pediatric population in south KSA**

#### **2)ESCRS London 2014**

- a)**Incidental discovery of retinal pathology on preoperative assessment of ICL candidate patients... Diagnosis and management.**
- b) **Air bubble injection in anterior lamellar keratoplasty cases with descemet membrane perforation, pros and cons.**
- c) **Prevalence, presentation and management of keratoconus in pediatric population in south KSA.**

### **3) ASCRS San Diego 2015**

**a) Refractive, Topographic, Pachymetric and Aberrometric analysis after Corneal Cross-Linking in pediatric keratoconus in south Saudi Arabia.**

**b) Piggyback Collagen Copolymer (Collamer) Lens: 2-Year Results.**

**c) Various topographic patterns of post-LASIK ectasia and their management.**

### **4) Berlin-2015**

**(Evaluation of topical anesthesia alone versus combined with intracameral lidocaine 1% in patients undergoing implantable collamer lens (ICL) procedure)**

### **5) AAPOS 2013**

**Posterior chamber phakic intraocular lens (PIOL) implantation versus INTACS corneal rings to manage anisometropic myopic amblyopia in children**

### **6) ESOPRS 2014**

**OPD Scan analysis before and after pterygium excision with conjunctival graft**

### **7) Kasr El Ainy journal**

**Double rectangular suture sulcus reconstruction in the management of aphakia with absent capsular support.**

**8) Clinical Ophthalmology**

**Subthreshold diode-laser micropulse photocoagulation as a primary and secondary line of treatment in management of diabetic macular edema.**

**9) ESCRS winter –Istanbul 2014**

**a)Manual Half Top Hat Penetrating keratoplasty**

**b)TASS following V4C implantation surgery**

**10) ISRS 2013**

**Mini patch graft for eccentric corneal perforation**

**Skills**

**• Languages:**

- Arabic Native
- English Very good
- French Good

**• Computer:**

Excellent Knowledge of MS Word, Excel, Power Point and Excellent command of Internet .
