

Mohammad Ahmed Mohammad Mohey Eldin Elzahry, M.D.

36 B Bahgat Ali St, Zamalek, Cairo, Egypt, 11211

Cell: +201112628196

Email: ma_mohey@kasralainy.edu.eg

LinkedIn: <https://eg.linkedin.com/pub/mohammad-mohey/58/487/89b>

PROFILE:

- Hepatologist, gastroenterologist and endoscopist, practicing all types of GI endoscopies, concerned with teaching and endoscopic training, researcher.

Objectives:

- Trying to be a leader in the field of GI endoscopy and research, and to improve my clinical, endoscopy, research and social skills.

Research interests:

- Hepatitis C virus.
- Hepatitis B virus.
- Hepatocellular carcinoma.
- ERCP.
- Inflammatory bowel disease.
- Helicobacter pylori.
- Portal hypertension.
- Variceal bleeding.

EDUCATION:

- M.D. Endemic Hepatology, Gastroenterology and infectious diseases. Faculty of Medicine, Cairo University, Egypt. Specialty: Hepatology & Gastroenterology. Thesis about “ Endoscopic esophageal stenting versus band ligation in management of acute variceal bleeding”, 2007-2010.
- M.Sc., Endemic Hepatology, Gastroenterology and infectious diseases. Faculty of Medicine, Cairo University, Egypt, 2004-2007. Excellent grade.
- M. B. B. CH. Faculty of Medicine, Cairo University, Egypt, 1996-2002. Excellent grade.

EMPLOYMENT:

- ***Lecturer at Endemic Hepatology & Gastroenterology department, Faculty of Medicine, Cairo University.***

January 2010 – now.

Duties:

- Teaching M. B. B. CH. Undergraduates students.
 - Teaching the High School of Nurse.
 - Teaching the master degree postgraduate endoscopy course.
 - Bedside clinical rounds to reach a diagnosis, and put a management plan for in patients.
 - Participate in the examination & evaluation process, for undergraduate, and postgraduate master students.
 - Participate in supervision of postgraduate students in the master and M.D thesis.
 - Participate in the research plan of the department.
- ***Endoscopist at the gastroenterology and liver endoscopy unit, Kasr El Aini hospital, Cairo University.***

March 2007 – now.

Duties:

- Diagnostic upper endoscopy with biopsy and polypectomy.
- Interventional upper endoscopy:
- Injection sclerotherapy and band ligation for esophageal and fundal varices: Both Elective and Emergency
- SEMS stent insertion for acute variceal bleeding.
- Impacted foreign body extraction.
- PEG Gastrostomy tube insertion.
- Argon plasma coagulation APC application.
- Full colonoscopy with biopsies, polypectomy and mucosal resection.
- ERCP both diagnostic and interventional, including stone extraction (Basket and balloon), dilatation, and stent insertion.
- ERCP with metallic stent insertion
- BIB system intragastric ballon insertion for obesity.
- Participate in the training courses of the unit in upper GI endoscopy (diagnostics and threapeuatic).
- Responsible for organization of the monthly workshop meetings of the unit
 - Putting the plan.
 - Invite instructor
 - Invite audiences.

- Auditing of the meetings.
- ***Consultant in the Fatemic Cairo hospital, one of the viral hepatitis treatment canters which are affiliated to the National Committee for Control of Viral Hepatitis, Ministry of Health in Egypt.***

June 2007 – January 2015.

Duties:

- Evaluation of patients with chronic HCV infection, intended for treatment.
- Follow up of patients on treatment, for side effects of therapy.
- Application of guidelines of the national committee for treatment of viral hepatitis for both pegylated interferone and ribavirin therapy and directly acting antiviral therapy.
- ***Consultant of Hepatology, Gastroenterology and endoscopy in Saudi-German Hospital – Sanaa, Yemen,***
January - February 2011

Duties:

- Examining patients at the outpatient clinic.
- Supervising patients at the inpatient ward.
- Performing endoscopy.
- ***Sub investigator/researcher in clinical trials at the Cairo University viral hepatitis center.***

June 2008 – till now.

Research participation:

- ***Subinvestigator at a clinical trial with Abbvie drug company on phase III trial to evaluate the safety and efficacy of the coadministration of ABT - 450/Ritonavir/ABT-267 with ribavirin in adults with HCV genotype 4 from September 2014 till now, a research being done in the viral hepatitis centre, Kasr El Ainy hospital, Cairo University (PI: Professor Gamal Esmat).***
- ***CO-PI at a clinical trial with the STDF on phase III trial on the addition of vitamin D to pegylated interferone and ribavirin to enhance the response from March 2013 till now, a research being done in the viral hepatitis centre, Kasr El Ainy hospital, Cairo University (PI: Professor Maysa El Raziky).***
- ***Subinvestigator at a clinical trial with Glead drug company on phase III trial on a Protease inhibitor (sofosbuvir) from February 2013 till now, a research being done in the viral hepatitis centre, Kasr El Ainy hospital, Cairo University (PI: Professor Gamal Esmat).***
- ***Subinvestigator at a clinical trial with Bristol Myer Squibb on phase III trial on a Protease inhibitor (daclatasvir) from September 2010 till***

September 2012, a research being done in the viral hepatitis centre, Kasr El Ainy hospital, Cairo University (PI: Professor Gamal Esmat).

- ***Assistant Lecturer at Endemic Hepatology & Gastroenterology department, Faculty of Medicine, Cairo University.***

April 2008 – December 2010.

- ***Coordinator for the early post operative liver transplantation at the liver transplantation Unit, Manial Specialized University hospital, Kasr el Ainy, Cairo university, LDLT program.***

March 2006-till July 2010.

Duties:

- Evaluation of patients immediately after liver transplantation, and ensure adherence to protocol by the team.
- Ensure application of the team to the management plan put by consultants.

- ***Resident at Endemic Hepatology & Gastroenterology department, Faculty of Medicine, Cairo University.***

March 2004-March 2007.

- ***House officer at Cairo University, Hospital, Cairo University.***

March 2003-March 2004.

TRAINING

- ***Endoscopy training:***

- **Upper endoscopy:**

- Training course in Basic Diagnostic Upper GI endoscopy, with hands on:
- March 2007.
- Learning Resource center, Course Director: Professor Roger Liester, UK.

- ***Specialized training in GI stenting in variceal bleeding*** at the endoscopy unit, in the AKH hospital, Linz, Austria, April, and May 2009.

- **Lower GI endoscopy:**

- Training course in Lower GI endoscopy, with hands on:
- March 2009.
- Gastroenterology and Liver Endoscopy Unit, Kasr El Aini hospital, Cairo University.

- **ERCP:**
 - Training course in ERCP, with hands on:
 - March 2011.
 - Gastroenterology and Liver Endoscopy Unit, Kasr El Aini hospital, Cairo University. Course director M.S Abdelbary,MD.
- ***Research training:***
- ***Online educational activity: Introduction of the Principles and practice of clinical research.***
 - By the National institute of health (NIH) clinical center, USA.
 - October 2014 - March 2015.
- ***Good Clinical Practice (GCP) and Adverse Event Reporting*** training conducting clinical trials
 - By Bristol Myers Squibb, Johnson's and Johnson's and Abbvie.
 - September 2010 - October 2014.
- ***Online course (PH207x): Health in Numbers: Quantitative Methods in Clinical & Public Health Research with online adaptation of material .***
 - By the Harvard School of Public Health's classes in epidemiology and biostatistics, USA.
 - October 2012 - January 2013.
- ***Middle East School of hepatology (MESH) to be a certified trainer from IASL".*** Course included:
 - Pre-course assessments
 - Six Postgraduate courses (Single or Two topics each)
 - Hands-on workshops of interventional procedures.
 - Interactive Web-based continuous medical education Mentors-mentee interaction.

Amsterdam Live Endoscopy workshop, Amsterdam, Netherlands, 16 December, 2008

Attending conferences and courses activities

- **Digestive disease week(DDW)**, Washington DC, USA, May 2015.
- **Paris hepatology Conference(PHC)**, Paris, France, January 2015.
- **United European Gastroenterology Week (UEGW)**, Vienna, Austria October, 2014.
- **Digestive disease week(DDW)**, Chicago, USA, May 2014
- **Paris hepatology Conference(PHC)**, Paris, France, January 2014
- **"Gastro-Antalya 2011 with World Gastroenterology Organization (WGO) conference, Antalya, Turkey, November, 2011.**
- **OMED postgraduate course**, Cairo, EGYPT, March 2010
- **Amsterdam Live Endoscopy workshop**, Amsterdam, Netherlands, 16 December, 2008.
- **Saudi Live endoscopy workshop 2007:** Saudi German Hospital, Jeddah, KSA, from 3 rd to 15 th. September 2007.
- **CE & E Medical registrar course 18-21 July, 2006:** Birkbeck University, London, United Kingdom, July 2006.

HONORS & AWARDS

- **October 2004, Clinical demonstrator for the NAMRU** (Naval American Research Unit) clinical rounds and received a rewarding certificate.

- **October 2014 awarded a travel scholarship of the UEGWeek 2014**
Vienna, Austria.

SKILLS

- **Languages:**
 - **Arabic :** Mother-tongue
 - **English:** Excellent
 - **French:** Excellent
- **Computer Skills:**
 - Excellent in General Interface & Internet
 - Excellent in MS Office applications.
- **Obtained courses for Human Capital development:**
 - International publication of a research.
 - Communication skills.
 - Methods of effective teaching.
 - Using technology in teaching.
 - Time planning.
